Principal’s Goals:
Over the last couple of weeks, Mr Campbell and I attended a meeting with Catholic Schools Office staff on the topic of goal setting. Parents will be aware of the importance I place on goal setting for students. This is certainly true for staff and leaders as well. Over the next few weeks, parents will have the opportunity to view my goals and to offer feedback on them if they desire. A good number of my goals will be formed from my appraisal last year. A copy of this will be made available to parents upon request.

Induction and Inaugural Mass:
Today we celebrated the commencement of our school year and inducted our new school leaders. Our 2015 School Leaders are James Barron, Evan Clarke, Josie Clarke and Sally Eller. I thank Mr Conrad Tamblyn and all staff and students for their efforts in preparing a wonderful celebration and commencement to 2015.

Swimming Carnival:
I look forward to seeing every student at our carnival next week and participating in whatever capacity they are able. Some will compete feverishly, others will engage with an enthusiastic but playful spirit and yet others will provide service and encouragement due to incapacity to compete. Despite your ability to join in at any of these levels, I expect everyone to continue the great tradition we have here at the College of getting in and having a go. May the better house win!

Timetables:
As mentioned in last newsletter, our timetable has been affected and one or two classes have ended up with some small anomalies. I am hoping to be able to make the necessary adjustments over the next few days and allow classes to get on with the important business of learning.

College Uniform:
This week at the College assembly, I guided each child through the rules for our College uniform. I ask parents to ensure they are familiar with and support us in enforcing the adherence to this policy.

Student Verification Sheets:
Student verification sheets will be issued to all students during PC class on Monday. These forms are important to ensure our student records are current and accurate. Parents/guardians are asked to make any changes or additions, sign and date the form and return it to your child’s PC teacher by Friday, 28th February.

If there are no changes I ask that you also sign and return the form by the above date. Thank you for your assistance and support with this matter.

Did you know...
In 1965 the first swimming carnival was held on a Friday night in March starting at 8pm and was won by Greens (then O’Hare now McAuley). The first athletic carnival was held on Saturday 25th September and won by Golds (then called Daley House, now Edmund) One of the feature events was the Open Mile, won by A. Chisholm in 5 minutes 28.8 seconds.

It was a school expectation that all students attended and participated in these events - and they did!
**P&F Annual General Meeting:**
All interested parents are invited to attend and nominate for positions on the St Paul’s College P & F for 2015. The AGM will be held in the College Board Room on Wednesday, 11th March, at 6pm. 2015 P & F Positions up for selection:

**ASSISTANT PRINCIPAL’S MESSAGE**

We have seen a smooth start to the year and students appear to have settled back into the school routine very quickly. This is a reflection of the preparation and time both parents and staff have put in to making sure everything was just right prior to the term commencing.

We welcome the many new students and their families and pray that their time at the College will be one of enrichment and fulfilment.

I would like to thank students and parents for their support in the wearing of the uniform correctly. There have been a few times over the past couple of weeks where we have had to chat to a few students, but I would say most of them are doing the right thing, although jewellery is still an issue.

On Friday of Week 1, all students and staff met in their House groups to elect House Captains and Year 8 to 11 Student Representative Councillors for 2015. The elected students, along with the College Captains and Ministry leaders, were introduced during our Induction Mass today.

**Chewing gum is banned** at the College. I would ask all parents to please help support us fully in this. I have spoken to the whole school about not bringing chewing gum to school as it can be seen all over the concrete. I asked all students to respect our environment by following our expectations.

**Student Attendance**

*Diocese of Lismore Catholic Schools Office*

In New South Wales, all children from six years of age are legally required to attend school or be registered for home schooling. After they complete Year 10 and until they turn 17 years of age, students then have the following options.

They may also be in:

- full-time further education and training (eg TAFE, traineeship, apprenticeship)
- full-time, paid employment of an average of 25 hours per week or
- a combination of both of the above.

If your child has to be absent from school, you must tell the school and provide a reason for their absence. To explain an absence parents and carers may be required to:

- send a note to the school, or contact the school via fax or email or text reply, or
- telephone the school, or
- visit the school

A small number of absences may be accepted by the Principal. For example, if your child:

- has to go to a special religious ceremony or is required to attend to a serious and/or urgent family situation (eg a funeral)
- is too sick to go to school or has an infectious illness

---

**13 March 2015**

Please note this is a Staff Professional Development Day. Students do not attend
**Unexplained/Unjustified Absence**
Parents, please be aware that an unexplained absence will be noted on the student’s report when a parent has not provided an explanation within seven days.

Please refer to the following websites for further information: Policy and information (Catholic Education Commission) http://bit.ly/zdLonM
The school leaving age (NSW Department of Education and Communities) http://bit.ly/ginrQI

**Holidays – Changes to School Attendance Register Codes**

*Catholic Education Commission NSW commencing 2015*
As part of the implementation of the national Standards, holidays taken by students outside of school vacation periods will now be included as absences. A Certificate of Exemption can no longer be granted for this purpose.

The school acknowledges that sometimes families will ask for student leave from school in term time for personal reasons. It is assumed families have given this option considered thought before applying for leave. If travel during school term is necessary the following considerations apply:

- If the Principal accepts the reason for absence, then the absence will be marked as Leave.
- If the Principal does not believe the absence is in the student’s best interests and does not accept the reason, the absence will be recorded as Unexplained or Unjustified.

**Vaccinations**

In 2015 the following recommended vaccines will be offered as a part of the school vaccination program:

<table>
<thead>
<tr>
<th>Year 7 students</th>
<th>Year 11-12 students</th>
</tr>
</thead>
<tbody>
<tr>
<td>Diphtheria, tetanus &amp; whooping cough</td>
<td>Measles-mumps-rubella vaccine</td>
</tr>
<tr>
<td>Chickenpox</td>
<td></td>
</tr>
<tr>
<td>Human papillomavirus vaccine</td>
<td></td>
</tr>
</tbody>
</table>

Parent information kits were sent home this week for all Years 7, 11 & 12 students via their PC teachers. These kits contain a consent form, information sheet and privacy statement that details how personal information will be collected, stored and utilized.

To give consent to the vaccination of their child, parents are advised to:

- Read all the information provided
- Complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- Return the completed form to the school
- Ensure that the child eats breakfast on the day of vaccinations and brings a water bottle to the vaccinations

Parents who wish to withdraw their consent may do so by phoning the school. The procedure for withdrawal of consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

**REC MINISTRY**

**INDUCTION MASS 2015**

This Mass was held at the All Saints Church in Kempsey today. Thank you to the parents and friends who attended. The badges were blessed and presented to our School Captains, Ministry Leaders, House Captains and School Council Representatives. Father’s challenge to each student is to ‘Let Your Light Shine’ this year.

**Year 7 Belonging Day**
The Year 7 Belonging Day will be on Thursday 27th February at South West Rocks Surf Club. Notes have been sent home with students this week. They need to be signed and returned early next week. The theme for the day is building a sense of community. As many students come from different primary schools this year, it will be a great opportunity to mix with each other outside of the classroom.
YEAR 12 RETREAT
Year 12 Retreat notes were handed out this week. A $30 deposit is due in by 13th March. Please contact the College if you did not receive the information note about this.

Years 7 and 8 Sunday Mass
The families of Year 7 and 8 students are invited to attend a special Mass for them on Sunday 8th March at the All Saints Parish Church, Kemp Street, at 9:30am. A morning tea will be hosted in the parish hall afterwards. Teachers of Year 7 and 8 students at the College will be in attendance.

CARITAS
A guest speaker from CARITAS (the Catholic Overseas Aid Agency), Jenny Miller, will visit the College next Wednesday, 25th February. She will address Year 9 and 10 students about the role of CARITAS from 10.30am – 12 noon. Visitors are welcome to also attend.

Brainstorm Productions
Brainstorm Productions will present to students in Years 10-12 on Monday, 23rd February, at 1.50pm. There is no charge to students for this event as it is covered by their Pastoral Care subject levy.

LENT
During this period of Lent, meat pies and sausage rolls will not be sold on Fridays at the College canteen. This is because it has been a tradition for Catholics to abstain from eating red meat on Fridays during Lent. Alternative forms of hot food will be available.

Mr Conrad Tamblyn – Leader of Evangelisation

CURRICULUM
At this early stage of the term, all students in Years 9 and 11 should be settled into their electives and all changes should have been completed by last Friday, 13th February.
Over the course of this term, I will be speaking to all Year 11 & 12 students to discuss their goals and requirements for their HSC/ATAR and to ensure that their Board of Studies Preliminary and HSC enrolment and pattern of study is correct.

PEDAGOGY

The Art and Science of Teaching
The heading above is what you may find if you look for a definition of the term “Pedagogy”. At St Paul’s we have been specifically focused for the last 3 years on our pedagogy and other systems which impact on the learning of our students. This focus on pedagogy accelerates in 2015 with some exciting initiatives either expanding or being implemented.

ILS (Independent Learning Skills)
This is a new program for 2015 in Years 9 and 10. The overall aim for ILS is to ensure that when our students start Year 11, they are familiar with the skills and practices needed for them to be successful learners. These same skills can be applied to enable our students to become lifelong learners.

Elevate
This involved visits to students from Years 9 to 12 in week 2 by young adult presenters who led seminars about the psychology that underlies academic success and the most effective study and organizational tips. Evaluations of these seminars were overwhelmingly positive. Students involved have ongoing access to the Elevate website with valuable resources and support.

Stiles
Stiles is a web-based learning platform that allows teachers to plan interactive lessons which students can work through at their own pace. By taking on the role of content delivery, Stiles frees up teachers to roam...
the room and be more available where they are most needed. It also allows teachers to monitor individual student progress and understanding from anywhere in the room. Students benefit by using a variety of media types to learn new ideas, as well as from increased practice of literacy skills to independently access their lessons.

**Peer To Peer**

Traditional classrooms were places where teachers acted in isolation. Peer To Peer is a diocesan initiative where teachers are encouraged to visit other classrooms, video their lessons, reflect on their teaching, and work with peer coaches to develop professionally. The overall goal is to improve the learning of our teachers and our students. It is a workplace-based process of ongoing professional development based on world’s-best practice.

At St Paul’s we believe that learning is a lifelong endeavour. This attitude is being modelled by our fabulous teaching staff as they continue to enquire and learn about best practices in their profession. I sincerely hope that this approach rubs off onto our students.

**Mr Rob Mahon - Leader of Pedagogy**

**LIBRARY NEWS**

Overdue books continue to trickle in, and we’re very grateful for that. Others have been paid for. Thousands of dollars’ worth of resources have been recovered this way, and everyone is to thank for placing the necessary importance on such an undertaking. Keep looking, because the “serious” letters will be going out at some stage this term. And to those students who have said...“Oh I know where that is” (and you’d be surprised how many!) please just bring them in.

Another reminder about our hours of operation...we are open from 8.15 to 4.30, Monday to Friday. And if that’s not an option for some reason, Student Services, across the hall, can usually look after your needs. And our trial of having our doors open at recess, in addition to lunch, is so far proving quite successful. Many students are taking up the opportunity and, more importantly, they are conducting themselves quite well. Keep it up. Speaking of the right approach...look elsewhere for a recent photo of a hard-working group of girls putting in an extra effort before school one morning in the seminar rooms. With an attitude like that, the results should surely follow.

Don’t forget, everyone, that you can access the Library Home Page via the College Moodle page. There’s a wealth of helpful links there, just waiting for you to explore. Seniors, for example, can extend their study and research in a number of ways, and everyone can obtain quick access beyond our four walls to, for instance, the Kempsey Shire Library and the State Library of NSW. Not to mention borrowing yourself an eBook.

Early next term, we’ll be looking to mount a display to mark the 100th anniversary of the landing at Gallipoli. If anyone has ANZAC mementos suitable for display and are inclined to lend them to the school, please feel free to do so.

Finally, a reminder to seniors, that pre-loved study guides are available at greatly reduced prices, the money for which goes either to the former owners or donated elsewhere. Come and have a browse in the senior study.

**Happy Reading.**

**FREE WORLDWIDE AUTISM COURSE**

Swinburne University of Technology is offering a free six week online course to assist parents, families and carers who live with individuals with autism. The course is scenario based and aimed at providing a range of solutions. The course starts on Thursday 2nd April - World Autism Day.

STUDENT SERVICES

HOMEWORK CLUB
Homework Club will once again be operating in 2015 every Wednesday afternoon from 3.25pm till 4.25pm in Student Services. Students can complete homework or assignments with the support of a teacher and with access to computers and reference books. The Library will also be open five days a week until 4.30. All students are welcome and encouraged to make use of this valuable service. Those students being picked up should do so from the car park behind the Science Block.

Please complete the form below and return to the Student Services Centre.

NORTH STREET FARM

Piglets.
Last week we were delighted to witness the birth of six piglets to one of our sows. Whilst not a big litter, the mother “Snuffles” is doing a great job of feeding and caring for her babies.

Our calves across the road on the North Street Farm continue to thrive, we have eleven in total that are a cross between our Droughtmaster Cows and a Charolais Bull.
We have just returned a Devon Bull that we hired for two months from a stud in Bulahdelah. The Bull known as Ashwood Highlander is from Malcolm Woods Ashwood Stud. Highlander was a Blue Ribbon winner in his Class at the Brisbane Royal Show.

This week we are replacing the cover on our poly house. And Mr Tamblyn’s classes are busy getting their gardens ready for planting our cool season vegies.

Our Primary Industries classes have been busy finalising the fences on the North Street Farm and we are waiting eagerly while our new shed is being constructed.

SPORT NEWS

Next week is our Annual Swimming Carnival and it is a compulsory school day for all students. This year the Carnival will be held over two days, Tuesday 24th February, for students who have nominated to compete in the long course events only and then on Thursday, 26th February, the whole school. It is sure to be a day of fun, excitement and plenty of competition. This year to encourage participation and house morale, students from Years 7-11 are allowed to attend school dressed in house colours, (see below for appropriate dress), with Year 12 allowed to attend dressed as novelty characters, as in previous years. I would like to highlight to parents and students our College Policy for appropriate dress to the swimming carnival.

‘All clothing worn to school on the day of the swimming carnival must be appropriate. If a student arrives at school in clothing deemed to be inappropriate, parents may be contacted and asked to collect the students in order to rectify the matter.

It is inappropriate for brief and revealing clothing to be worn to school. This includes low-cut, strapless, backless or mid-riff tops, mini-skirts and brief shorts.
Parents are also asked to consider the appropriateness of all writing and graphics on T-shirts.’

Furthermore, I would also like to highlight to students our College Policy for appropriate swimwear:

‘Female students are not, under any circumstances, to wear string bikinis or the type of bikini’s used for sunbaking.
Sporting bikinis will be allowed as in the type used in surf carnivals’

I encourage all students to participate in as many events as possible to ensure vital house points can be achieved. I would like to also encourage all parents to support their children, and if any would like to assist on the day please email me at dialawrence@lism.catholic.edu.au

Cricket

At the time of this article going to print, three of our students Rhys Swan, Austyn Nugent and Ben Pierce are competing for selection at the U15’s NSWCCC Cricket Championships. We wish them luck and I will have a report next newsletter.

Last week we had Josh Swan and Daniel Baker compete for selection at the U19’s NSWCCC Cricket Championship. Unfortunately, both boys were unsuccessful in selection but should be very proud of their achievements to get to this level.

The Diocesan Winter Trials for Rugby League and Opens Football (Soccer) will be held at Lismore on the 17th March (Week 8). Those students who completed an online registration form will know if they have qualified to attend these trials in the next few weeks. I will inform these students as soon as I find out so we can arrange transport to Lismore for the day.

Upcoming events

24th February Long Course Swimming Carnival
26th February College Swimming Carnival
11th March Lismore Diocese Swimming Carnival (Kempsey)

Miss Di Lawrence – Sports Co-ordinator

A reminder to all families to please label all items of uniform; technical equipment; clothing, swimmers and towels.
After the swimming carnival, there is always a number of towels and swimming items in lost property.

Dear Parents and Guardians

As part of their annual fundraising initiatives, the St Paul’s College P & F are running an Easter-Egg raffle.

We are asking all families to support this event by donating a medium sized Easter Egg or small bag of eggs/chocolate to the basket.

Your contribution will help us offer many prizes.

Tickets will be on sale here at school for $1.00 each. Students from the SRC will be selling these throughout the day.

Prizes will be drawn in the last week of Term 1 so we will need to get those donations ASAP.

Students are to hand their donations to their PC teacher during morning PC.

Thank you for your support.

---

Dear parents, we do hope that all children have settled into their new year well and there are many smiles.

We would like to invite you all to our Family Retreat which is happening on 28-29 March at Grassby Head. This is a fun family weekend that is supported by the Diocese and an invitation is extended to all families. Please see flyer attached to newsletter. RSVP by 13 March 2015 please.

Please support these events so we can continue to reach out and support our school parents.
