The Assumption of Mary. The Feast of Mary’s Assumption into heaven was celebrated this Monday just passed. It is one of three feasts of Mary that are Holy Days of Obligation for Catholics. The Assumption of the Blessed Virgin Mary into heaven has long been held as an important Catholic belief. The belief was not defined as dogma, however, until 1950 by Pope Pius XII. The dogma teaches that Mary, who was without sin, was taken, body and soul, into the glory of heaven.

The Gospel highlights Mary’s faith. Mary’s faith enabled her to recognise the work of God in her people’s history and in her own life. Her openness to God allowed God to work through her so that salvation might come to all. Mary is a model and symbol of the Church. May we be like Mary, open and co-operative in God’s plan of salvation.

"More than all the angels and all the saints has God ineffable freely endowed Mary with the fullness of the heavenly gifts that abound in the divine treasury; and she, preserving herself ever immaculately clean from the slightest taint of sin, attained a fullness of innocence and holiness so great as to be unthinkable apart from God Himself, a fullness that no one other than God will ever possess."

Pius IX

College Leaders for 2017. Voting for new leaders in 2017 will commence shortly. A short list of applicants will be drawn up from our Year 11 cohort and I look forward to speaking with them shortly about the importance of such a position at the College.

Conclusion of HSC Trials – Now the Real Work Begins. I spoke this week with Year 12 students about the importance of focus and attendance at school in these final weeks leading up to holidays and ultimately the HSC exams. A common trap for many Year 12 students is to drop their intensity and relax following the Trials – we call it the ‘Post Trial Blues’. What is required in reality is exactly the opposite. Team work and class time is the key to success for our HSC students. Many fall just one mark short at the final hurdle having dropped the ball in those final weeks. I urge all Year 12 students to maximise their time in class, prioritise school over other activities and optimise their chances of success come October and November.

Marking of Major Works. To all of our HSC students who have produced major works in their various subjects, I wish you all good luck. Markers will soon commence the task of marking projects from all over the state.

"It is literally true that you can succeed best and quickest by helping others to succeed."

Napoleon Hill

Parent/Teacher Interviews Monday 22 August. Parents are reminded that our second Parent evening is this coming Monday from 4 pm. Those parents who have been unable to make a booking with a teacher, are warmly welcomed to come along with those who already have secured times.

Mr Jim Hovenden (request for prayers). Over the holidays Mr Jim Hovenden was diagnosed with a serious illness and has not been able to return to work. I ask all families to pray for his health and speedy recovery. I also encourage families to keep in mind all of those in our community struggling with illness and poor health.

Year 11 and 12 Mass – Sunday, 28 August. Families are warmly invited to celebrate what will be for our Year 12 cohort, their final weekend Mass as members of the College. I ask all families to make the special effort to come along and celebrate with us this special day.

God Bless

Mr Kevin Lewis – Principal
klewis@lism.catholic.edu.au

ASSISTANT PRINCIPAL’S MESSAGE

In the first newsletter of this year, I mentioned that one of the most important organisational tools that students have at their disposal is the Student Diary.

At St Paul’s, teachers use the Student Diary as a means of communication between the class teacher/pastoral care teacher and home. It is an expectation of the College that all diaries are viewed and signed weekly by parents/guardians. This communication is one way in which your child’s College life is relayed back to home and vice versa. Homework and other messages from teachers may also be communicated back home through the diary. One other way that teachers will indicate whether students have completed all their required work, or have arrived at class fully prepared, is the ‘homework incomplete’ stamp. This is a red stamp that can indicate several things, such as:

- Failure to present Student Homework Diary and SSR book without explanation.
- Failure to have either the Student Homework Diary or a “Homework Incomplete” stamp signed.
- Failure to complete set homework without explanation.
- Failure to comply with specific subject requirements.
- Failure to submit (or a non-serious attempt at) an assessment task, across the form task or examination.

Upon signing the diary each week, such information can be monitored by you and a point of first communication can be initialised if required.

**Parent-Teacher Evening** Parents, we have organised a Parent/Teacher Evening for Years 7 to 12 to give you the opportunity to discuss your child’s progress with us or to inform us of any relevant information that would assist us in your child’s learning. We believe it is essential that all parents take the opportunity to speak with their children’s teachers. As such, this event will take place on **Monday, 22 August**, in the Edmund Rice Hall, from 3.45 pm to 6.00 pm. Information came home in student reports, and can also be found on the College website under ‘Parents’; ‘Parent/Teacher Evening’, or from a link on the homepage.

**Uniform** The wearing of full school uniform is compulsory. It is important that all students wear our uniform and take pride in their appearance, as this is a very public way of exhibiting our College identity. Students are required to wear the full uniform to and from school and we ask that ‘parts’ of the uniform not be worn in public out of school hours.

If, for any reason, a student is unable to be in full school uniform they must have a note from parents explaining the problem and the expected day when the student will be back in full uniform. It is expected that this will be for only a short period of time.

Students with incorrect uniform (including accessories) may be given a uniform notification letter and/or placed on a lunch time uniform detention. This letter is a form of communication between the College and home and is required to be signed by parents and returned to the issuing teacher. Parents, if uniform cannot be rectified promptly, as already mentioned, a note explaining the problem and the expected day when the student will be back in full uniform is all that is required. Please do not take offence if you receive such a letter. If a student is unable to wear the full PE uniform to school on sports or sport prac day, then they must wear full school uniform to and from school, and change into the PE uniform they have for the two periods of sport.

The Year 12 Rugby type jerseys are a privilege and are not an official College uniform item. If these are allowed to be worn at school it will only be in conjunction with the correct uniform. Where the College uniform is not worn correctly, the jersey will be removed until the uniform is corrected. Rugby type jerseys are not to be worn at official occasions such as Mass and excursions where the College is being represented.

Once again, I thank you for your support in this matter.

**Uniform Changes For 2017** Early in 2015, I invited all parents and students to complete a survey on the St Paul’s College summer and winter uniform to inform us about what you would like to see changed or retained from our current uniform. Using this information, a uniform committee was established to look at the possibility of a uniform which would meet the criteria ascertained from the survey data, as well as from Father Paul Gooley.

As a result, Fr Gooley and Mr Lewis have approved a new College uniform for all students in Years 7-12, from the beginning of 2017. Currently the mechanism by which this will be purchased is still under discussion, however, I will inform you of more details as they emerge.

In general, all current uniform items (with the exception for sports uniform and jackets) have been changed. However, while I suggest you hold off purchasing the new uniforms until later in the year, a decision has been made that there will be a phase in period of at least two years, allowing the Canteen to offload current stocks at a reduced price (see the Uniform Shop sale items in this newsletter).

**Last Week Of Term 3** The last week of this term will be the final week for our Year 12 students. As such, **Week 10 (19 – 23 September)** will see some special events. These are outlined below:

Wednesday, 21 September, 11am – Year 12 Farewell Assembly.
Thursday, 22 September, 9.30 am – Graduation Mass followed by 12 noon Major Awards Ceremony.
Friday, 23 September – Staff Professional Development Day [students not to attend].

Mr Guy Campbell – Assistant Principal

REC MINISTRY

NAIDOC  NAIDOC celebrations were delayed this year. They were held on Wednesday, 17 August. A big thank you to the elders and our guest speakers, Uncle Elwyn Toby and Uncle Fred Kelly, for sharing their insights and cultural knowledge with us. The 2016 theme was ‘Songlines’. Thank you, also, to Ms Hume and the Food Tech students for the wonderful damper afterwards.

SHINE Conference  Fifty students from the Years 9 and 10 CSYMA classes, along with some leaders from Year 11, have been attending the SHINE conference at John Paul College, Coffs Harbour, yesterday and today. They have been sharing their faith with like-minded students from other Catholic schools in the diocese and also having a great time along the way.

St Aloysius Visit  Six Year 9 boys from St Aloysius College in Sydney will arrive in Kempsey on September 5. I am still looking for host families to billet them. The main role of the host family is to provide them with accommodation and meals during their stay, which will be until September 16. Please let me know if you are able to help out with this.

Year 11/12 Sunday Mass  On Sunday, 28 August, there will be a special Years 11 and 12 College Mass at the All Saints Parish Church. The Mass will be followed by morning tea in the parish hall. All Year 11 and 12 students and their families are warmly invited to attend.

Higher School Certificate Examinations  The HSC exams are looming quickly for our Year 12 students. Please keep them in your prayers during this important time.

Mr Conrad Tamblyn – Leader of Evangelisation

PEDAGOGY

One of the key skills that students should leave St Paul's with is critical thinking. This skill we can define as ‘the kind of thinking which seeks to explore questions about existing knowledge for issues which are not clearly defined and for which there are no clear-cut answers’.

In order to display critical thinking, students need to develop skills in:

- interpreting: understanding the significance of data and to clarify its meaning
- analysing: breaking information down and recombining it in different ways
- reasoning: creating an argument through logical steps
- evaluating: judging the worth, credibility or strength of accounts.

(Orientation Lecture Series LEARNING TO LEARN: Developing critical thinking skills Learning Centre)

The continual development of this skill by the students across all subjects is essential. This should enable them to cope with the ever changing world they will so enter.

Mrs Lesa Morrison – Leader of Pedagogy

CURRICULUM

HSC Trial Examinations  I would like to thank Anne Lunt and her exam supervisors for kindly volunteering to supervise the Trial HSC Examinations. I would also like to thank Year 12 for the mature and responsible way in which they sat the examinations.

Year 12 HSC Project Completion and Hand-In Date  Please note that these project submissions are due into the College on the following dates:

- **English Extension 2 Major Works**: Completion and hand-in date is today. Projects must be handed in to the supervising teacher no later than 3 pm.
- **Visual Arts Body of Work**: Completion and hand-in date is Monday, 29 August. Projects must be handed in to the supervising teacher no later than 3 pm on this day.

HSC Projects/Performance Marking

- **Music Submitted Works**: Completion and hand in date is Monday, 5 September, at 3 pm.
- **Music Performance**: Marking dates 5 September – 17 September.
**Students please note:** All practical submissions with a completion and hand in date require the project to be handed in to the supervising teacher no later 3 pm on the above dates. The Board of Studies imposes penalties for late submissions, including zeros for no supporting evidence.

**Year 8 into 9 Course Selections** On Tuesday, 23 August, Year 8 students will attend a Subject Selection Sample Day from Periods 1 to 6.

The purpose of the presentation is to expose students to the range of elective courses on offer here, from which they get to choose elective courses for Year 9 (2017) and Year 10 (2018). During the presentation, students will be spoken to by Leaders of Learning and course teachers in the Key Learning Areas of: PD/H/PE, TAS, HSIE and Creative Arts. Students will receive course booklets before the presentation in which they can make notes in order to make it easier for them to discuss course selection choices with you.

After this, you will receive a letter outlining the selection process and dates in more detail. It is hoped that from this presentation, students will have a better understanding of what each elective course entails in order for them to make their elective choices.

If you have any questions or queries, please feel free to contact me at school, or make an appointment time through the front office.

**Year 10 Course Selections for Year 11 - 2017**

Year 10 into 11 Course selections have now been completed. Congratulations to all Year 10 students who completed their selection forms and returned them by the specified date.

**LOTE NEWS**

Last week the College hosted Krisna from the Indonesia Australia Language Foundation who spent two days giving immersion and enrichment lessons in Bahasa Indonesia to all Year 7 classes and 8H, who have begun studying Indonesian in 2016.

The students learnt about Indonesian culture as well as engaging in language activities.

8H sampled a traditional Indonesian dish for lunch on Tuesday. Soto Ayam is chicken soup and is a national dish.

All the classes really enjoyed the lessons and Bahasa Indonesia will be offered again to Year 8 in 2017

**Mrs Beth McMillan – Leader of LOTE**

---

**LIBRARY MATTERS**

**Premier’s Reading Challenge** If they read this in time, PRC participants have until midnight, Friday 19 (tonight, therefore) to enter their information on the Challenge website. At the time of printing, another twelve students had finalised their details. Successful entrants can expect their official certificates late next term. Latest figures:

- **Total** = 58;
- **Complete** = 29;
- **Books Read** = 798. Stay tuned for final figures, including House Point totals, in the next newsletter.

**HSC Trials** Now that the Trials are over, thanks again to our juniors whose behaviour in the Library was very thoughtful towards the Year 12s. Hopefully you’ll receive the same treatment when it’s your turn.

**Chess Club:** We now have a small band of chess players turning up on a regular basis which is good to see. More members are always welcome at lunch-time on Tuesdays and Thursdays. Some seniors have also offered their services as coaches if needed.

**Overdues** Many students are making obvious efforts to return or pay for overdue items. Keep it up. Expect reminder notices later this term.

**Laptops and iPads** A special thank you to Mrs Martin who spends a great deal of her time having our electronic devices in working condition for student use. Please help her out by using them in the appropriate way. By this
we mean: returning them after one period (or two at the most); authorised classroom use only; logging out upon return; and generally treating them like the costly resources that they are.

**On Display**  And thanks, too, to Mrs Whalen. We’ll be packing away the Premier’s Reading Challenge books shortly. This will have been replaced by two new displays: The Children’s Book Council of Australia Book Week short-listed titles (winners of which were announced today) and (with Aunty Sharon’s help) a display to mark our recognition of NAIDOC Week. You’re all most welcome to browse and borrow from either of these collections.

**Happy Reading!**

Mr Peter Garty  – Teacher/Librarian

---

### HOSPITALITY REPORT

**NSW Fire Brigade Visit**  Year 11 Hospitality students were very fortunate to be visited recently by two representatives of the NSW Fire Brigade. Phil Dowling and Anthony (Tony) Hackenberg spent two hours outlining the importance of WHS (Work Health and Safety) whilst working in both domestic and commercial kitchens. The gentlemen referred to situations with which students might be faced, and explained how they should respond to them. It is always valuable to have outside expert professionals come into the College to impart their knowledge to our students.

We understand how valuable their time is and we appreciate their efforts. This has become an annual visit to Year 11 Hospitality students as part of their initial mandatory unit in WHS and I look forward to seeing this relationship between the College and the local department of the NSW Fire Brigade continuing well into the future.  

*(For more information see Facebook: kempeyfireandrescue345station)*

**Work Placement Visit For Year 11 Hospitality Classes**  I have had the pleasure of visiting almost forty Year 11 students over the past fortnight as they undertake their first mandatory work placement visit throughout their 240 hour Hospitality course.

Once again, our students have represented themselves and the College very well, with the feedback from supervisors very positive. Most notable was the positive body language, strong work ethic and high level of initiative displayed by our students. Many have been offered employment as a result of their time and it is encouraging to see that they have been rewarded for their efforts. I must make mention of all of the local establishments who generously avail themselves to provide mentoring over these weeks. It is a valuable learning opportunity and one that would not be as rich without the support of our establishments. The following table indicates which local businesses mentored which student.

**SPORT NEWS**

**Basketball** On 10 August, Mr Pugh and Mr Crowley took two basketball teams to Coffs Harbour for the Junior Diocesan Basketball Tournament. The Year 7/8 team had three losses on the first day, 63-16 against St John Paul College, Coffs Harbour, 45-10 against Xavier College, Skennar’s Head and 41-19 against St Joseph’s Regional, Port Macquarie. The last game we played our best basketball and the defence improved dramatically. The Year 9/10 team also suffered three losses 71–29 against Regional Port Macquarie, 64–30 against MacKillop College, Port Macquarie and 40-37 against St John’s Woodlawn. The last game was a nail bitter that went down to the final buzzer.

After the first day of games, we went to dinner for a debrief and then the boys decided on a 2 ½ hour training session in the evening. The Year 7/8 team had an early game at 8am. The extra hard work paid off and we recorded a 30–24 victory against McAuley, Grafton in the playoff game. The Year 9/10 team also had McAuley, Grafton in their playoff game but unfortunately we went down 32–16.

The Most Valued Players were Tom Fletcher for the Year 7/8 team and Aiden Edwards for the Year 9/10 team. Despite being up against some bigger and more experienced teams, the boys never gave up and we were very proud of their efforts.

It was a pleasure accompanying this group of players and they were a credit to St Pauls. We would like to thank Mr Pugh and Mr Crowley for giving up their own time to coach and accompany our boys.

**League Tag** Last Thursday, 12 August, St Paul’s participated in the inaugural League Tag Gala Day held in Kempsey. We had a large contingent of girls from Years 7-11, fielding six teams in their respective age groups. The day was organised by the NRL and challenged each school to raise money for a chosen charity. This year the charity was for Breast Cancer. It was great to see our girls, with the guidance of Mr Moorehead, take on the challenge. With the support of the College community and some motivated students our girls were able to raise $615. All our girls played well and were competitive in every division.

Congratulations on your sportsmanship and all the money raised for a very important cause.

**City to Surf** Last weekend we had twenty six students, teachers and family members participate in the City2Surf. In what was a thoroughly enjoyable weekend we had several great results on the course and also some pre-race and post-race highlights. Pre-race, Liam Lynn’s dance moves were a hit with the Pitt Street crowd and post-race an impromptu appearance by Beau Ryan resulted in some great photos.

Finn Askew was the first male to finish in 1.01.19 which was 22nd in his age group and in the top 3% overall. Chloe Saunders was the first female to finish in 1.15.42 which was in the top 7% of all female participants. Many other students also achieved seeded times that qualify them for a preferred start next year.
We would like to thank Mr Robinson for driving the bus and also Corey Stocks, Heath Askew and Grant Schubert for assisting Mr Moorehead over the weekend. A massive thank you must go to Mr Moorehead who every year puts many hours of organisation and gives up time with his family to participate in this excursion.

**Horse Sports**  We would like to congratulate Brianna Crotty, Year 7, who has been selected to represent NSW at the Godolphin Australian Interschool Championships following her recent success at the NSW Interschool. Brianna will travel to Sydney in September. We wish her all the best.

**Coming Events**  Lismore Diocese Netball Championships, Port Macquarie, 1 September, 2016  NSWCCC Athletics Championship, Sydney, 16 September 2016

**Miss Dianne Lawrence and Scott Edwards – Sports Co-ordinators**

---

**STUDENT SERVICES**

**Homework Club:** Homework Club is continuing every Wednesday afternoon from 3.25 pm till 4.25 pm in Student Services. Students can complete homework or assignments with the support of a teacher and with access to computers and reference books. The Library will also be open five days a week until 4.30. All students are welcome and encouraged to make use of this valuable service. Those being picked up should do so from the car park behind the Science Block.

Please complete the form below and return it to the Student Services Centre.

**Mrs Jan Stubbs – Additional Needs Teacher**

I give permission for ..................................................to attend Homework Club on Wednesday afternoons.

He/she will be collected/ walk home (cross out whichever does not suit).

POSITION VACANT – PARISH SECRETARY
MACLEAY VALLEY CATHOLIC PARISH

An experienced Secretary is required on a part-time basis 65 hours per fortnight to provide secretarial support for the Parish by efficiently organizing and maintaining the Parish Office.

Criteria:
• The ability to work within the mission/values of the Catholic Church
• Able to maintain all Parish registers, produce a number of rosters and publications, maintain parish website and deal with all enquires.
• Must also be able to deal sensitively with people seeking assistance.
• Must be experienced in using the full complement of Microsoft Office applications especially Publisher.
• Have excellent communication skills
• Be able to work to a deadline and meet priorities
• Have a high level of attention to detail
• Ability to maintain confidentiality
• Bookkeeping skills/experience in MYOB/Quickbooks

Please submit resume and covering letter addressing the above selection criteria to: Diocesan Human Resource/WHS Manager Ms Toni Russell P.O. Box 1 Lismore NSW 2480 or email to trussell@lismore.catholic.org.au  No later than COB 8 August 2016

On 26 August, Fizzics Education is coming to St Paul’s College to present their Big Science Big Fun Show in honour of National Science Week. The show will include gigantic bubbles, flying toilet paper, hair-raising electricity experiments, fire balls, levitating beach balls, and volunteers on a nail chair, a giant gyroscope, liquid nitrogen and much more.

The show is open to all students in Years 7 – 10, interested parents, younger siblings and family members.

Tickets are $7 per person.

If you are interested, please have your daughter/son collect a note from their Science teacher or contact Ms Littlejohn or Mrs Tovey at St Paul’s College on 6562 7200 for further information.

Looking forward to seeing you there.
