Reading the Gospels in ‘Ordinary Time’  Often, when we are not celebrating one of the key seasons of the scriptures such as Lent or Advent, we put the need for reflection on the Gospels on the ‘backburner’. The Gospels contain many important and valuable messages for all families on a weekly basis. This week is about prayer and humility and is a key one for all families. In the family, one sometimes observes a level of competition between children for parent attention, or for acknowledgement of their abilities. Somehow, children seem to internalise that the attention given to one member of the family diminishes the attention given to another. In this way, children can often sound like the Pharisee in Jesus’ parable. Parents who provide continual reminders to their children that they are loved for who they are, not for what they do, help children develop a healthy spirituality.

Pray together in thanksgiving for the blessing that is each member of your family. Pray that you all will be free from unhealthy competition. Pray in thanksgiving that God’s love for us is unconditional.

Welcome Back  As I welcome you back for another busy term, Year 12 are already nearly half way through their HSC exams and feeling good about the process. Every conversation I have had with them has provided me with great optimism and confidence about the way they have prepared for these important exams. I am also very mindful of the great job our dedicated staff have done in preparing them, not only for these end of course exams, but also for the lessons of life that await them when they finish.

Marist Fathers Aboriginal Education Fund  For many years the Marist Fathers of the Diocese have provided the opportunity for Aboriginal families to apply for additional monetary support for their child’s education. Once again this year, the opportunity exists for families to make application for this generous support. Families interested in availing themselves of this should contact Ms Sharon Kelly, our Aboriginal Education Worker, or through the front office. Grants of up to $300 are on offer to support with educational materials, uniforms, VET courses and so on.

Personal Sick Leave  During the end of this week, I was required to take some sick leave in order to treat some historical sun damage to my skin, particularly on my head and face. This has been going on for some time now, and seems to be improving. The reason I tell you this is not to open up my personal life necessarily, but to highlight the dangers posed by over-exposure to the sun, particularly in the early years of life – the TEEN years. Late last term we heard of the passing of an Australian sporting legend – Max Walker – to melanoma. During the term we also had a guest speaker speak to us on exactly that topic, with a particular focus on the dangers of ignoring sun damage in the early years.

School Hats  To follow on from that story, we have been blessed with a grant to provide a new school hat to every child. The College SRC, in part, has been able to fund a new design and the provision of a hat to every child at the College free of charge. I am aware that the old style hat was not functional, nor was it attractive and so, as a result, we have engaged with Team Spirit to design a hat that is functional and attractive. These will be given out to all students in the coming weeks with an expectation that they will be worn while in the sun. Further details of our sun policy will be forthcoming in the next few weeks, in line with our next opportunity to have a College assembly. The hats have the child’s name and PC Class written inside.

2016 Graduation Assembly  was held on 22 September with the four major awards being presented. Congratulations to the winners:

ASSISTANT PRINCIPAL’S MESSAGE

Year 6 Orientation Day  Our first of two Year 6 orientation days occurred this week. This is a day where we invite all our 2017 Year 7 students to experience exactly what being a student at St Paul’s College is all about. It is designed to alleviate the anxiety traditionally experienced by students transitioning from primary to secondary school. Our Year 6 students had a great time, cooking in Food Technology, producing multimedia in Information Technology, learning the intricacies of Mathematics and Science and being creative artists in Visual Arts and Music. All students manoeuvred themselves across the day throughout the six different focuses, including a group liturgy where the Catholic faith of the College was acknowledged.

Our next orientation day will be held on 2 November. A Parent Information Session will also be held that morning at 8 am, after which a quick morning tea will be available.

Safe Schools Hub  I would like to make you all aware of a resource and information program known as the safe schools hub, information from which I have outlined below:

As a parent, you want your child to feel safe and to be safe at school.

The National Safe Schools Framework values the vital role that you play in supporting your child, in connecting and communicating effectively with their school, and in building and nurturing positive relationships. (https://bullyingnoway.gov.au/YourRole/Pages/For-Parents-and-carers.aspx)

The Safe Schools Hub for Parents (www.safeschoolshub.edu.au) provides you with a guide to the Framework, and with information and resources that you may find useful in helping to make your child's school experience a positive and happy one.

The Hub suggests steps that parents can take if bullying or cyberbullying is being experienced by their children. These include ideas on:

- helping children learn to manage feelings
- encouraging self-respect and protective behaviours in children
- recognising signs of anxiety and depression
- staying safe both online and offline.

Find out about the Framework, and explore its background, guiding principles and nine elements. You'll learn what a safe school looks like, and you can go to a glossary of key terms.

Find information on positive strategies to connect with your child’s school, build your child’s wellbeing, communicate with your child, and manage your feelings and skills.

Get ideas on how to stay cyber-safe, and how to deal positively with bullying and harassment. You’ll also find out about encouraging self-respect and protective behaviours in your child.

School Adolescent Vaccination Program 2016  On Tuesday this week, Year 7 students had their third series of vaccinations. This is the final round for the year. Students who missed any vaccinations can have catch up injections next year.

Summer uniform Reminder  Summer uniform is to be worn for the remainder of Term 4.

During all swimming activities, swimming attire must be appropriate for the activity being undertaken for the time of year. Rash shirts and board shorts may be worn by students. Female students are not, under any circumstances, to wear string bikinis or the type of bikini’s used for sun baking. Sporting Bikinis will be allowed as in the type used in surf carnivals.

Examination/Assessment dates for 2017  Below are the examination and assessment dates for 2017. These can also be found on the live College calendar. Please note, both the HSC Trial Exam and HSC Exam will not be published until 2017.

REC MINISTRY

Combined Schools Sunday Mass  On Sunday, 30 October, parents and families are warmly invited to join with St Joseph’s and St Paul’s staff to celebrate the feast of All Saints. This is in recognition of the role that the parish plays in supporting the Catholic schools in the Macleay Valley. Staff and students from both schools will participate in the liturgy. Afterwards, there will be a bacon and egg BBQ, as well as morning tea, served next to the parish hall. Parents and friends are warmly invited to join us for the 9.30 am Mass at the All Saints Catholic Church, Kempsey.

Year 8 ‘Catch The Wave’ Retreat  This compulsory Retreat was held for all Year 8 students at the Parish Hall today. This was the first step for students before electing to follow the CSYMA class stream in Years 9 and 10.

Festa Christi  Year 8 students have been asked to register their interest in attending Festa Christi at Coffs Harbour on November 18 – 19. This student discipleship event is organised by the Lismore Catholic Schools Office. More information is provided on Page 7.

Movember  Mo bros and Mo sistas (amongst the staff and senior students) will again start to grow their hair to raise money for prostate cancer during the month of November. The men will grow moustaches and the ladies, the hair on their legs. This action is to raise awareness and also to raise money for research into prostate cancer.

Bandana Day  Bandanas and pens will be on sale at the front office next week to raise funds for children affected by cancer. Students will be allowed to wear the bandanas, as an addition to their school uniform, on Friday, 28 October, only.

Vinnies Sleep Out  At the recent whole school assembly a cheque for $2,060 was handed to Betty Green, SVDP President. This represented the fundraising effort from the Vinnies Sleep Out. Congratulations to all of the students and organisations who were involved with this.

Mr Conrad Tamblyn – Leader of Evangelisation

IGNITE  was held 22 – 25 September in Brisbane, where over 1,500 people gathered to explore and experience their faith in a new and encouraging way. We had many students attend and the theme was ‘Revelation’, which describes how Christ was going to reveal himself to us and how experiencing this would lead to a mountaintop experience.

It was also a very social event where we get to meet many new people and share our faith.

Some of the things St Paul’s students got to be involved in at Ignite included small groups, workshops, rallies, listening to keynote speakers, prayer teams, reconciliation and adoration.

Everyone who gathered there was encouraged to go out and change the world. It was an incredible experience and I’m sure that everyone who attended would agree.

Zoe Clarke – Youth Ministry Officer
From the BOSTES  HSC 2016 Students  can access their HSC results online, by sms or telephone from Thursday, 15 December. Students should visit Students Online for more information. They can also access HSC results from this date using Schools Online.

HSC Appeals due to Illness or Misadventure  The following extract is from the Board of Studies ACE Manual Section 11.3:

"Students may lodge an illness/misadventure appeal if they believe that circumstances occurring immediately before or during a Higher School Certificate Examination, and which were beyond their control, diminished their examination performance.

The right to submit an illness/misadventure appeal and the responsibility for doing so rest with the student, except where it is impossible for the student to do so, such as in cases of severe illness."

Appeal forms can be obtained by contacting Mr Robinson.

CLOSING DATES FOR APPEALS (WRITTEN EXAMINATIONS): Within one week of the student’s last examination, and no later than the day of the last HSC examination.

I strongly recommend all HSC Students and their parents read this section in full. It can be found at: http://www.boardofstudies.nsw.edu.au/manuals/acemanual.html

HSC Visual Arts Major Work Marking  HSC Visual Arts Major Works will be marked at school on Monday, 28 October.

Information for Parents and Carers

We recognise that parents and carers enjoy photographing and recording the progress of their child at school and on school activities. We recognise that many of you like to share these personal memories online and on social media.

We ask for your cooperation and care concerning the use and distribution of photographs of other children at our school. Some families have very real legal and safety issues which could put a child at risk if an image is made public online. More generally, it is respectful of the privacy of other members of the school community to ask permission before posting an image online. Even if your social media settings are private, it is easy for images to become public, particularly if they are tagged or shared by others.

Best Practice Guidelines

The following best practice guidelines have been adopted by our school to keep our students and school community safe, and to ensure respectful practices concerning the use of social media. When taking photographs or recordings at school or at school events and your images include other identifiable persons please follow these guidelines:

- Crop out other students or seek the permission of the student or (for students under 16) his or her parent/carer before posting online.
- Do not tag or name the person without permission.
- If a parent or carer requests that you do not circulate an image of their child to others, please comply with the request.
- Please seek the permission of our staff to photograph or record their activities at school. Photography of staff presenting or receiving awards is permitted.

The school will periodically review these best practice guidelines.

Mandatory Policies

The school may from time to time determine that photography or recording at school events or on school grounds is restricted. Where restriction is notified, failure to comply may result in your exclusion from school premises or activities. There may also be consequences as set out in the enrolment agreement.

Under no circumstances may you photograph or record in private areas such as change-rooms, or in school offices or staffrooms, or at meetings, without express permission.

Queries and Further Resources

The following resources provide further information about safety online, privacy and avenues for complaints about privacy online. If you wish to discuss an issue further with the school, please contact Mr Guy Campbell.
