PRINCIPAL’S REPORT

Advent Blessings  The use of the Advent Wreath is a traditional practice which has found its place in the Church as well as in the home. The blessing of an Advent Wreath takes place on the First Sunday of Advent or on the evening before.

When the blessing of the Advent Wreath is celebrated in the home, it is appropriate that it be blessed by a parent or another member of the family.

Exam Week Clarification  You may be wondering about our exam week set up and ‘time off’ for students. Under normal circumstances during a mid-year exam week, teaching staff would take around two to three weeks to mark and check all exams. Any given teacher will be marking papers for around two hundred students in all of their combined classes (between five to seven for a regular classroom teacher). A teacher would normally use their timetabled preparation time as well as personal time at home to ensure that the two week window is met. In order to maximise learning for all students, and to get exams marked and returned in the shortest possible time, staff will be marking and reporting full time whilst students have a short three day break in Week 10. I thank parents for their support in this process. We feel it is the best organisation for all students’ learning.

Grooming and Appearance for 2017  As holiday time quickly approaches, many students and families decide that it is a good opportunity to experiment with appearances including new piercings, new hair styles and colours. Whilst this is always an exciting time for our young people, I would remind parents of our rules regarding grooming. If you are unsure, please check the College web-site or your child’s diary. It would be a shame to start the new year off on the wrong foot. A note has been placed in reports for your perusal.

Return Dates: A reminder to you that students return in 2017 on the following dates:

- Year 7 and 12 – Tuesday, 31 January
- Year 8 to 11 – Wednesday, 1 February

REMINDER - Families and students not returning for 2017
As we approach the end of the year I ask families to ensure that any changes of school planned for 2017 be notified to the office as soon as possible. With many families wanting to send their child to St Paul’s, it is becoming increasingly difficult to find spaces in a number of year groups. Your cooperation in this matter is greatly appreciated.

BOOKLISTS 2017
Year 7 - 10 are now available on the College public website under ‘Student’ ‘Booklists’

What’s happening?
From 20 December 2016, the Private Vehicle Conveyance (PVC) subsidy will be progressively phased out and replaced by the School Drive Subsidy. The deadline for new applications for the existing PVC subsidy is 20 December 2016.

Parents or guardians currently receiving the existing PVC subsidy can choose to stay on it or switch to the new School Drive Subsidy after 17 January 2017. If they want to remain on the existing PVC subsidy, they don’t need to do anything.

What is the main change?
For parents/guardians driving one or more students from the same household to the nearest public transport pick up point or to school, the new School Drive Subsidy will be paid ‘per trip’ (for the complete school trip). This ‘per trip’ payment is different from the current PVC subsidy, which is paid ‘per student’.

Note, parents/guardians can’t be on two schemes at the same time. If new students are added after 17 January 2017, all eligible students will automatically go onto the new School Drive Subsidy, including existing PVC subsidy students.

How to help parents and guardians make the right choice
- Give the parent or guardian the brochure entitled ‘School trip subsidy changes’.
- Reassure them that they can find out more at transport.nsw.gov.au/schooldrive
- The website also has an online comparison calculator where parents/guardians can check which of the two subsidy schemes is better for them based on their own individual circumstances.
- If they have more than one student on the existing PVC subsidy, they should consider staying on it.

More questions?
If you have questions about the PVC subsidy or the School Drive Subsidy for parents and guardians of children at your school, call 131 500.
New College Uniform Parents, Williamson International will be the sole suppliers of our new 2017 College Uniform. This will be purchased online directly to Williamson International with credit card facility for payment (Visa and MasterCard only).

One set of each item and size will be available here at the school as try-on samples, prior to placing on-line orders. Customers will choose a method of freight when ordering:

- Australia Post to their home address, order dispatched within 48 working hours (1-3 items $16, 4 or more items $20).
- Order will be dispatched to the College when the next bulk shipment is sent ($3.50 per order).

Returns and Exchanges Goods must be returned in their original packaging and the cost of return postage in both directions is the responsibility of the buyer.

Please Note: Try-on samples have not arrived at this point, and the online ordering facility will be accessible very shortly. I will notify parents of this by text message and through postings on the College web site and Facebook page.

REC MINISTRY

Christmas Hampers The St Paul’s tradition of collecting non-perishable foods and gifts for the St Vincent de Paul Christmas appeal continued this year. Thank you to parents and students who contributed to this. Thirty hampers were presented to the St Vincent de Paul Society at our ‘Giving Mass’. Each student was asked to contribute a small item for the ‘Giving Baskets’. These baskets are highly valued and make a real difference to those families who are struggling to make ends meet at Christmas time.

Year 9 and 10 CSYMA Classes I would like to thank the students in the Year 9 and 10 CSYMA classes who have been fine ambassadors of the College in recent weeks. The Year 9 class ran a prayer day with Year 4 at St Joseph’s Primary last week and Year 10 ran a Retreat Day for Year 5 students. On both occasions they personified our school motto of ‘Letting Your Light Shine’.

Mr Conrad Tamblyn – Leader of Evangelisation

2016 HSC Results (From the BOS) This year HSC results will be available online, by SMS and telephone from 6.00 am, Thursday, 15 December. ATARs will be sent to students on Friday, 16 December. To access results online:

**RETURNING TEXT BOOKS**

As we approach the end of the year, students in **Years 7 to 10** should start giving some thought to **organising their textbooks**. As they have completed their exams, books will need to be returned to the Library.

Please note... **any overdue loans originating this year will mean that textbooks may not be issued to those students next year**. This policy will only be altered on the rarest of occasions, so start searching desks, classroom cupboards, lockers and, of course, at home.

Year 11 retain any books issued this term (along with Religion and Maths texts) as they will be needed for their HSC. **Any overdue texts will generally have to be replaced or paid for before further ones are issued.**
**Year 12 Results Morning Tea/BBQ**  All Year 12 students are invited to a BBQ morning tea on Friday, 17 December. Come in and share your HSC results and ATAR with your friends and teachers from 11 am.

**Years 7-10 Reports**  Reports will be given out for years 7-10 at the conclusion of the minor awards ceremony on Wednesday, 14 December.

Mr Leon Robinson – Leader of Curriculum

**LIBRARY MATTERS**

**Textbooks**  Thanks to everyone who has managed to return their overdue text and Library books. Quite a few are still out there, however, so don’t be surprised if you receive reminders along with your reports, or on some other convenient occasion.

**Christmas Borrowing**  Students still have a slight window of opportunity to grab their Christmas reading/viewing material from the Library. You can borrow up to FIVE items...as long as you don’t have any overdues.

**eBooks**  Many new titles have been added lately, so go online and download one of our eBooks:

- Go to the [Library Homepage](http://www.ssrc.nsw.edu.au) via the College Moodle Page
- Click on the link “[Visit our Overdrive site to see what’s on offer.](http://www.ssrc.nsw.edu.au)"
- Once into our Digital Library, type in your User Name where it asks for “Library Card Number” and your Password where it asks for “PIN”
- Navigate the site in order to familiarise yourself with it. A grey book icon means that title is already on loan. A black book icon means you can borrow it. A headphone icon means it’s an audio book
- If using a device rather than a tablet, be sure to download the Overdrive app.
- Finally, do not access the book via the red “EPUB” button. Do so via the blue “Read in your browser” button.
- 1 loan per borrower, which lasts for 3 weeks before disappearing from your device. You can return it earlier, which will then allow you to borrow another book.

**From The Kempsey Library – Summer Reading Club 2016 - 7**

Be the hero or villain in this year’s Summer Reading Club – a national initiative designed to encourage kids of all ages to keep reading through the summer break. Register at the Kempsey Shire Libraries from Thursday 1 December. When you register, you will be given a starter pack with a log sheet and activity sheets to start you on your reading journey.

The Summer Reading Club will be held at Kempsey, South West Rocks, Stuarts Point and Hat Head libraries during December and January, with the program open to children and youth from preschool through to high school who are current members of the library. If you are not already a library user this is a great opportunity to sign up and get involved. You’ll just need to show proof of address and have your parent or carer sign your membership application if you are under 16.

There will be weekly prize draws as well as a major draw with two mini iPads up for grabs.

For enquiries please phone Kempsey Library on 6566 3210. Visit the SRC national website at [www.summerreadingclub.org.au](http://www.summerreadingclub.org.au)

**Happy Reading!**

**NORTH STREET FARM**

This week on the Francis Farm, we have been working on a variety of projects.

Oestrus Synchronisation of our purebred cows began on Monday, 21 November. Synchronising our cows oestrus cycle will allow us to artificially inseminate them. This process takes around ten days. They will all be artificially inseminated on Thursday afternoon, 1 December.

The straws of semen being used have been donated by Ashwood Devon Stud in Buladelah, a great cost saving to the College and a great benefit to our genetics.

Also this week, the members of the College Ag team received their team jackets. This will enable our team to still look professional even in the cold wet weather. Each jacket was donated to students thanks to the generous sponsorship of Shannon Law (Matt and Nicole Shannon) and Kempsey Stock and Land (Ian and Therese Argue).
Our pasture raised meat birds were sent for processing on Tuesday morning to Burrawong Gaian Poultry at Stuarts Point. These birds grazed on pasture and grains throughout their growth cycle, achieving their target weight of 2.8 kg in eight weeks.

It won’t provide all our fertiliser and soil regeneration needs, however it will aim to prove that we can multi-layer complementary enterprises on the one area of land.

We have thirty one grown pigs that we want to put through this system in the next six months, all of which have been sold to our parents, friends and staff network.

Students have been busy spreading Calciprill microfine limestone onto our pastures. This is aimed at raising our soil ph to enable more utilisation of the soil nutrients and to help establish a more diverse range of pasture species.

Finally, our Ag team has been busy preparing cattle for the 2017 show season. So far we have three steers. We would like to thank the Walker, Ryder and Purcell families for their generous support of this aspect of the College.

It looks like the Ag team will have plenty of work to do over the next few months. (Pictures on Page 8)

**SPORT NEWS**

**Cricket** Our Berg Shield Cricket team has had continued success defeating St Joseph’s Aberdeen last week. Our boys will now play St John’s Woodlawn in the quarter-finals of this state wide competition. Here is a breakdown of the match from Coach Taylor:

‘St Paul’s College won the toss through Captain Ben Pierce and elected to bat. Opening partner, Jye Woodger, who has been solid in the past matches was this time dismissed early after playing too early to a ball pitched up on a turf wicket that held up and had variable bounce all day. Kurtis Smith also fell victim to the slow wicket with the score 2-24. Pierce steadied the ship after being hit on the elbow early and scored regularly to go into drinks at 2 for 50. After the break, two quick wickets saw Ben removed for a hard fought 29, as well as Lachlan Dowling with a handy 15. Another two wickets fell before Kaine Parkinson dominated the scoring with a quick 28 runs, helped by small cameos from fast bowler, Nick Morrison, and wicket keeper, Liam Hackenberg. A final total of 120 fell competitive on an extremely slow outfield with only 5 boundaries hit during the allotted 30 overs.

Our boys took to the field with enthusiasm and plenty of positive talk. The Aberdeen opening batsmen started slowly with only one run coming off Kaine Parkinson’s first over. Enter Nicholas Morrison to the attack. After being dispatched over the fence for six in a lusty hit off his first delivery Morrison found his radar and took his first wicket for the match ending the day with figures of 2-18 off 4.1 overs. Kaine bowled a tight line for his first spell, being rewarded with two wickets in his third over, with a hat trick ball being left alone outside off stump.

The other Aberdeen opening batsman, who had scored 70 not out and 159 in his last two innings faced up against the bowling change of Jarrod Prosper and Dale Hardy. Prosper bowled three tight overs ending his day with 0-9. Hardy wasn’t so economical in his first two overs with a wayward start and some big hitting by the batsmen taking 16 off his first two overs. At the end of the 13th over, Aberdeen were ahead of the SPC score by two overs. Some faith by Captain Ben Pierce saw Hardy start his third over. With yours truly questioning the move, it was quickly inspired by what was to come. Hardy’s first ball saw the opener swing for the fence, missing his on-target delivery which cleaned up his stumps and sent him on his way. The next ball saw the batsman...
walking quickly after his predecessor again with the stumps in array. With Nicholas Morrison at my side scoring, we both sat stunned as Hardy delivered what we believed to be an impossible task in his attempt for a hat trick ball.....

Again Hardy’s aim stayed true and he dismissed the third batsman with his third delivery for a rarely seen hat trick. Fellow team mates vigorously celebrated the feat with Dale. Now I’ve played and coached cricket for nearly twenty years and what everyone witnessed next was truly something none in attendance will forget. Dale ran in and delivered his fourth ball of his third over, again rattling the stumps of the shocked batsman and to the bewilderment of those on and off the field had achieved a double hat trick. The only one I have ever seen live. This one over changed the momentum of the game and will go down as one of the best sporting moments I have been involved with, that and Dale running around with his shirt over his head like a plane and then panicking as he didn’t know where he was on the field and couldn’t get his shirt off his head. Aberdeen tried defiantly to recover, however, Parkinson’s next spell of two overs saw runs cut short and another wicket taken. Lachlan Ayres pitched in with a wicket of his own and Morrison finished the innings dismissing the last batsman for a total of 71. Kaine Parkinson would have been man of the match with 28 runs and figures of 3-3 off six overs had it not been for the bowling feat of Dale Hardy who is deserving of the honour.’

On behalf of the College we would like to congratulate the boys and Mr Taylor on their achievements so far and wish them all the best for the next match.

Still on cricket, congratulations to Kaine Parkinson who was successful in gaining selection in the U15’s NSWCCC cricket team. Kaine will play next week at NSW All Schools in Hawkesbury. This is a fantastic achievement and we wish Kaine and his team all the best next week.

We would like congratulate all students on their efforts in sport this year. They have represented their college, their local clubs and families with competition to wish everybody a safe and happy holiday and we look forward to working with you all again next year.

THE SLIM DUSTY CENTRE – NULLA NULLA GALLERY
SUMMER ART & CRAFT SHOW – December 2nd, 2016

The Slim Dusty Centre is proudly hosting its inaugural Summer Art & Craft Show commencing Friday December 2nd 2016 and running until Sunday January 29th, 2017. The art and craft show is open to all mid north coast artists and craftspeople and will showcase the region’s talent and creativity. Artists are invited to submit their original art and craft works to be put on display, and for sale in the Nulla Nulla Gallery. Entry to the exhibition is free, and a 33.3% (inclusive of GST) sales commission will be applied to all art and craft sales by the Slim Dusty Centre. Monies raised will be used to assist in the purchase of items to improve the Nulla Nulla Gallery exhibition space.

Exhibition Requirements

Entries to the exhibition are limited to 2 entries per person (1 entry form per art / craft work) total size limit must not exceed 3 x square metres and maximum lineal length of 2 x metres. All art and craftworks must be originally created by the artist and less than 3 years. Art works can include painting, drawing, printmaking, collage, assemblage, photography, video and sculpture. Craft can include textiles, quilting, leather, paper tole, woodwork and furniture making as examples. All identifying details are to be provided on the reverse of 2D works and attached to the 3D objects. The label included in the application must be completed with all details – medium describing the object - eg: oil painting, leather tooling, digital photograph, multimedia, collage etc.

Other than canvas stretchers or works on board, all other 2D works must be framed and ready to hang with d-rings (no nails, screws, hooks, wire or string).

Delivery of application forms is open now and entries will be received until Wednesday November 30th. Entries can be posted, emailed or delivered by hand. Early entries are encouraged as gallery space is limited. Art and craft work to be delivered on Tuesday 29th and Wednesday November 30th between 10.00am and 4.00pm.

The organisers reserve the right to reject any work that is deemed unsuitable or unsafe to exhibit. Art and craft works are to remain on display until sold or until the exhibition closes. Art and craft works are to be collected on Monday January 30th, 2016 between 10.00am and 4.00pm.
