Challenging our Thoughts on Catholic Schooling  I was reading recently a dissertation from Mr Wayne Tinsey, former SPC student and now Executive Director of Edmund Rice Education Australia. In his piece he outlined three key pointers of ‘true north’ or guides to ensure our spiritual compass is completely focussed on Jesus and the work of mission in the community. In summary they are:

The First Marker is the Life and Ministry of Jesus, particularly his call to fullness of human life and his radical inclusion of the marginalized. In our quest to educate for full humanity and liberation, we introduce the young to Jesus:

- so fully alive with the life of God;
- so totally loving with the love of God;
- and through these things, revealing the very ground of being that we call God.

Jesus had a vision for a world that arose from his heightened insight into the loving kindness of God – in a new world order characterised by relationships based on justice, inclusion, love and peace.

The Second Marker of True North is the Charism and Legacy of Edmund Rice As Catholics the foundations upon which we stand, clearly direct our mission to the ‘margins’, to the excluded, to the poor, to the disadvantaged, to those who lack hope.

The Third Marker of True North for Us is the Church to Which We Belong Catholic Education is a work of and for our Church, a Church that our new Pope describes as a ‘Church of and for the poor’:

- A generous and inclusive Church that shows deep love for the poor and marginalised;
- A Church that strives to usher in the Reign of God, the promise of fullness of life and true freedom for all in our troubled world;
- A Church that proclaims inclusion to be at the heart of the Gospel and exclusion, in its many forms, its greatest betrayal;
- A Church focussed on getting the Kingdom of God and its message of justice and truth into the world, rather than people into its ranks;
- A Church not so worried about how the world might change it but rather, how it might strive to change the world; and,
- A Church that strives ceaselessly to tell the poor and excluded that God loves them and that the Gospel is good news for them as well.

The church we serve teaches that God has a special love for the poor, not because they are necessarily better than others, but simply because they are poor and living in an inhuman situation contrary to God’s will.

We are constantly called to review our relationship with God and how that manifests itself in the College and the wider community. At St Paul’s, we commit to ensuring that all people feel welcome and included as part of our Christian community.

Lord God
We thank you for times when our thinking is challenged.
May we understand the difference between charity and justice,
and be willing to speak or act when we see injustice in our world.
We ask for the courage to be more generous,
to have more open minds, to serve others as your Son Jesus served.
Live Jesus in our hearts: Forever.

6pm Start
School Conference Room
Administration Building
Exam Congratulations As exams come to an end for Semester 1, I congratulate all students for their efforts in preparing for and undertaking these important check points. Of course, teachers will continue gathering data on your progress during normal class lessons, and the process of reporting on your progress will begin soon. Students should be mindful that this process is ongoing and not let their efforts drop over the next few weeks.

Vinnies Winter Appeal This week saw an update on the Vinnies Winter appeal launched by Mr Love and the students of the Vinnies Team. Already the College has donated many valuable items collecting six full bags of apparel. I congratulate Mr Love and the team and ask all families to consider giving clothing items to this very important work.

Congratulations Bridget Barber The Catholic Schools Office has awarded Bridget a cash prize for her competition piece entered in at the end of last year. The piece was centred on the Beatitudes and recognised all of the great people we have in the world and the marvellous influence they have on the lives of so many.

ICT in the Classroom I am often asked by parents enrolling their child into our College, what is the purpose of iPads and other technologies in the classroom? Surprisingly the answer is not just to teach students ‘how to use technology’. It is also ‘how not to use it, of what pitfalls to be aware’, and even more importantly, to be excited about its potential and how it can change their lives and the lives of others.

Don’t be mistaken, though. The fundamentals and basics of education are still embedded and widely used at the College. Handwriting, critical thinking, numeracy and literacy still have a central place in our teaching and learning. That will not change and, I believe, never will. Our role as educators, then, is to ensure:

- that students are aware of ‘ICT Etiquette’ and to protect themselves on-line.
- to expose students to all of the opportunities and possibilities that will be presented to them when they leave school.
- to prepare our students for a future of uncertainties. It will be a future of which they (and we) have no clear picture.
- To prepare them how to act in situations for which they have no experience.

The challenge of education is ensure that our young men and women can recognise, prepare for and succeed in an uncertain future with confidence and great expectation.

God Bless

Mr Kevin Lewis – Principal
klewis@lism.catholic.edu.au

ASSISTANT PRINCIPAL’S MESSAGE

“Give thanks to the Lord, proclaim his greatness” Psalms 105:1

Now that Semester 1 examinations have been completed, students sometimes begin to wind down in anticipation for the holidays. I remind all parents and students that the while exams might be over, learning expectations do not diminish. Please aid us in keeping all students on track to becoming skilled life-long learners.

Last Week of Term 2

Wednesday, 29 June: the College will be celebrating the feast day of Saints Peter and Paul with a special Mass. This day is an important part of our College calendar and students are expected to attend. As all students will also be participating in after-Mass activities, College sports uniform is to be worn. Students who fail to attend must provide the school with a written and acceptable explanation of their absence. There are no formal classes for students on this day and as such, students will participate in the following activities:

9.30 am Mass celebrating the Feast of St Peter and St Paul to be held in the College Hall. Parents and friends are most welcome to attend and celebrate with us on this special occasion.
10.30 am Recess
10.50 am Whole school sports activities for House Points.
1.00 pm PC focussed shared lunch
2.00 pm Talent quest in the College Hall (all students)

Thursday, 30 June: the final student day of the term, will host the Semester 1 Commendation Ceremony. This ceremony will occur at 1.50 pm in the St Paul's College Hall. After the conclusion of the ceremony, Semester 1 reports will be distributed. Students who fail to attend this day must provide the school with a written and acceptable explanation of their absence. Classes from PC until lunch (Periods 1 – 4) will be normal for all students.

1.50 pm Commendation ceremony (all parents welcome and invited to attend)
2.50 pm (approx): Reports distributed by PC teachers.
At this time students may leave under the following circumstances only:

- The student’s parent or guardian is in attendance and has collected them to go home. The parent **MUST** have the child’s name marked off by the PC teacher before leaving the College grounds.
- The student is in Year 12 and has signed permission from their parents stating they can leave school early and drive themselves home.

**Mr Guy Campbell – Assistant Principal**

**REC MINISTRY**

**Year 11 Street Retreat**: Four Year 11 students have been accepted to attend Street Retreat next week, Thursday to Sunday. Abigail Baker, Rilee O'Loughlin, Austyn Nugent and Nathan Douglas will represent the College. They will be working with organisations that assist people who live on the streets of Brisbane. Please keep these students in your prayers.

**Year 10 Retreat**: The Year 10 Retreat will be on 28 – 29 July, at the Coffs Coast Adventure Centre. Notes were sent home last week to allow families time to budget for the $115 cost. The aim of the retreat is to lead students to reflect on the life choices they will be making, to build on their relationships with each other and to help them to formulate their plans for the future. The Year 10 Retreat is a **compulsory** component of a student’s education at St Paul’s and, as such, prior approval must be obtained from the Principal for non-attendance. **Non-attendance, without approval, will still incur the cost of the retreat.**

**National Sorry Day**: Joel Stocks, Cooper Nugent and Liam Bowie (pictured above) represented the College at functions held at Durri and Boorengen last week for National Sorry Day.

**St Paul’s Feast Day Mass**: The St Paul’s Feast Day Mass will be at 9.30 am on Wednesday, 29 June, at the Edmund Rice Hall. Parents, grandparents and past students of the College are especially invited to attend. The Mass will be followed by feast day activities for the whole College.

**IGNITE**: This national student discipleship event will again be held in Brisbane, 22-25 September. There is strong interest from students at St Paul’s to attend. A last call for anyone interested to contact Zoe Clarke or Mr Tamblyn for more information.

**Mr Conrad Tamblyn – Leader of Evangelisation**

**Proclaim Lismore Students 2016 - SHINE Gathering**

The SHINE Gathering is the annual get together for students in Catholic Schools Youth Ministry (CSYMA) classes now operating in every Parish Secondary School in the Diocese. The CSYMA program is offered to Year 9 and 10 students allowing those with a willingness to nurture their faith an opportunity to develop skills in the area of peer to peer ministry.

The SHINE Gathering is about bringing together young people from across the Diocese of Lismore for a dynamic encounter with Jesus Christ through an experience of His Church, encouraging growth into meaningful Christian living, being equipped for ministry and empowered to make a difference in the Church and the world.

This two-day event combines elements of praise and worship with the Emmanuel Worship Band, keynote speakers, student testimonies, small group discussions, workshops, prayer, Sacrament of Penance and Rite of Reconciliation, Eucharistic Adoration and Mass. A feature of the gathering is the peer-to-peer ministry that takes place with students involved in all aspects of the delivery of the program.

An integral part of the Proclaim Lismore Students continuum of Student Discipleship Retreats, the SHINE Gathering will again be held at St John Paul College in Coffs Harbour on August 18 - 19, with over seven hundred participants expected. Please join us in praying for its ongoing success.

**Mr Conrad Tamblyn – Leader of Evangelisation**

**PEDAGOGY**

Last week Years 8 – 11 sat their semester exams, known as a summative task. These results will give both the students and teachers an indication of what they have learnt and understood so far this year. It is important that each student takes the time to reflect on what they have achieved and how this happened. Self-reflection and evaluation is a very good practice to get into to enable us to improve. It is important to look at the feedback
and see this as a way to move forward (growth mindset) not a time to give up. Some questions for you and your child to talk about as the results are fed back to the students are:

- How well prepared was I?
- Did I use the study guide?
- Did I participate in class or did I just sit there for two terms?
- Did I keep my book up-to-date?
- Did I catch up on work when I was away?
- Did I ask my teacher questions on work I did not understand?
- What can I take from this experience into next semester (both good and areas of improvement)?

It is so important to see all assessment tasks as a way to grow our learning.

Mrs Lesa Morrison – Leader of Pedagogy

**CURRICULUM**

**Year 7-10 Reports**  Parents can request, in writing, that their child’s progress not be reported on using the common grade scale. In these cases, the student is not counted in the cohort and he/she must receive a written report in a form decided upon by the school.

Please contact Mr Lewis or Mr Robinson if you have any questions or concerns in regards to this.

**Year 10 into 11 Course Selection Market Information and Interviews**  A Course Selection Market will be held at the College on Wednesday, 20 July between 4.00 pm and 6.00 pm for students who are currently in Year 10. The Market includes representatives from all the courses which are on offer in 2017. There will also be opportunities for you to speak with Subject Coordinators and course Teachers from all areas of the curriculum including the VET Coordinator and Careers Advisor. I strongly stress the importance of your attendance, and that of your son or daughter at this meeting. Please ensure that you bring the Course Selection Booklet with which your child will have been issued.

**Please Note:** It is not necessary to attend the Course Selection Market for the entire time scheduled. Parents and students ask questions and visit booths at their own discretion.

Following the Course Selection Market, there will be an information session between 6.00 pm and 6.45 pm presented by the Leader of Curriculum, Mr. Leon Robinson and other KLA Coordinators. Here, Board of Studies requirements for both the Preliminary and HSC courses will be discussed, and any questions or queries you may have will be answered.

On Tuesday, 26 July, Year 10 students and their parents are asked to attend school for interviews with the KLA co-ordinators in regard to suitability of Course choices for 2017. **Please note** that this is not a normal school day for Year 10 students as they are not required to attend school for lessons.

Bookings for these interviews will be taken at the Course Selection Market and Information Evening. If necessary they can be made at the school office up until 3.30 pm, Friday, 22 July.

**Trial HSC Examination Timetable**  All Year 12 have now received their Trial HSC Examination Timetable. The Trials begin on Monday, 1 August (Week 3) and conclude on Monday, 15 August (Week 5). This is a stressful and hectic time for our HSC students and I wish them well and encourage students to adopt a healthy study/life balance which includes daily exercise and plenty of sleep.

A reminder that students must wear full winter school uniform to the trial Examinations. They must assemble at the Edmund Rice Centre thirty minutes before the scheduled start of Exams, and cannot start an examination if they are more than sixty minutes late. Students must stay for the full duration of each exam and **do not** have to attend school when they don’t have an examination. All students are welcome to come to school and consult teachers or use school facilities during the trial Examination block when they don’t have an examination.

**The Official Sydney Morning Herald HSC Study Guide 2016** *(From the Board of Studies)*

The 2016 HSC Study Guide will be published in the Sydney Morning Herald and online on Monday, 20 June. The guide is a joint project with BOSTES. It is a valuable resource for students, teachers and parents, covering a wide range of HSC subjects.

It contains:

- study advice
- oral, performance and written exam advice
• tips for finalising submitted works
• videos
• Contributors include BOSTES curriculum inspectors, experienced HSC teachers and markers, past HSC students and parents.

Mr Leon Robinson – Leader of Curriculum

LIBRARY MATTERS

Premier’s Reading Challenge  Since last newsletter, nineteen participants have added to their Student Reading Record, three more have signed up and one, Claudia Bermingham, has completed the Challenge. Well done all of you. And of those still reading away, thirteen are into double figures and at least half way, therefore, to reaching their goal. The Challenge finishes on August 19, so there’s still plenty of time to reach the target. Continue to look for those books with the green dots on their spines, many of which are on display in the Library. Or simply search “PRC” on the Library homepage to see the hundreds of titles on offer. And remember, the rules allow you to go all the way back to Term 4 last year.

Overdues  Keep them coming in please.

Exam Study and Revision  Well done to all those students who took advantage of our extended hours by turning up early, or through the day, in order to prepare for their exams last week. Such an attitude will hopefully reap you the rewards you deserve. And thanks, too, to the juniors, whose use of iPads and tablets occurred in such a way as not to cause disturbances.

Another Word Of Warning  It’s becoming obvious that some students are using school devices, especially iPads, for things other than legitimate school purposes. And you’re leaving evidence, about yourselves and others. Not only is this unacceptable from a simple study point of view, but it’s also potentially dangerous to individuals, their reputations and perhaps even their futures. It’s really quite simple...don’t do it.

And any parents reading this should not be afraid to reinforce this message to their children.

Happy Reading!
Mr Peter Garty – Teacher/Librarian ☺

MUSIC REPORT

Adelaide Trip  During the first week of the April school holidays, Jemma Edwards, Brooke Preston, Hannah Shields and Tom Fletcher took part in the Mid North Coast Youth Orchestra (MNCYO) tour to Adelaide. This was a great opportunity for us to showcase our musical talents.

During the tour we visited various schools and were able to perform with other school orchestras. While there, we also had the opportunity to conduct a recording at the University of Adelaide and be involved in many other activities such as performing at the Hilton Hotel.

This term, the orchestra is learning new music pieces and can accommodate players of all orchestral strings, particularly for brass and woodwind.

Any musicians interested in joining the MNCYO and meeting new friends, should contact Elise at strings.alliance@gmail.com to discuss application and an audition.

Hannah Shields – Year 11

Parents AND Students Welcome to Attend the BIG SCIENCE SHOW!
Calling all Mad Scientists and Science Nerds! Do you want to see bubbling liquid nitrogen, gigantic bubbles, hair–raising electricity experiments, fire balls, a flame equalizer and more exciting experiments? Well, now is your big chance! On 26 August, during periods 1 and 2, the Science Faculty will be hosting the Big Science Big Fun Show. We are welcoming all students in Years 7-10 as well as parents, to take part in this exciting event. Numbers are limited so be early to book your seat. The cost is $7 per person. Permission notes with further details of the event will be passed out in Science classes. See you all there!

Mrs Maria Littlejohn – Leader of Science
**What’s Happening on the Francis Farm?** The past few weeks on the Francis Farm we have been busy establishing Ryegrass and Clover into our existing summer based Setaria pasture. We have been using our Aerator (pictured) to lightly cultivate the top few centimetres of soil. Over this, we have broadcast the seed and then followed with the harrows to aid seed/soil contact.

We received our twenty pasture raised chickens back from the processor Burrawong Giannie Poultry at Stuarts Point. We have also sold all of the pigs born on the first day of Term 1 this year. There were twenty two pigs in total, all having spent their life outdoors and not one having to be treated with any medications during the whole process. The straw and sawdust have now been removed from the pig tunnel and will be composted to help our plant production enterprise.

Last week we planted two hundred broccoli, cauliflower and shallot plants as a commercial crop. This is now growing alongside our garlic. We are also going to try and establish some other winter vegetables.

Our cattle have survived the east coast low and its 280 mm plus of rain and, whilst a large proportion of the back paddock is under water, the cows are foraging around the edges of the shrinking lake. Next week we hope to wean their calves, five of which are pure-bred Angus Heifers.

The Ag Team is meeting after school from 3.30 - 5.00 pm on Thursday afternoons in order to halter train our steers for the Upper Hunter Beef Bonanza in October.

Our Year 11 Ag and Primary Industries Excursion is occurring in the next couple of weeks and the students will be travelling south to the towns of Braidwood, Rankins Springs, Coleambally and Goolagong. We are taking ten Students from Kempsey High School as well, and will visit a number of farming enterprises including Australia’s largest Dairy farm.

Mr Graham Bramley – Agriculture Teacher

---

**Durri ACMS – Flu Vaccination**

With Winter now here we would like to advise the FLU vaccination is available at Durri ACMS. You can have a free flu shot if you are an Aboriginal or Torres Strait Islander person who is:

- six months of age to less than five years of age
- 15 years of age and over

Five years of age and over with one of the following medical conditions: heart disease, lung conditions, such as asthma, Chronic illnesses that mean you have to see a doctor more often, such as diabetes, chronic diseases of the nervous system, low immunity, Renal disease and failure.

Pregnant (at any stage). Pregnant women are at higher risk of severe complications associate with flu. Vaccinating against flu during pregnancy also provides some protection for babies during their first vulnerable months of life.

Six months of age to 10 years old who is on aspirin.

If you would like to arrange the Flu vaccination please make an appointment by contacting Tracey Houston on 65602380 or Reception on 65602301. If you require transport please advise when making your appointment. (Aboriginal Outreach Program)
HOSPITALITY REPORT

What a busy few weeks it has been for St Paul’s Year 12 Hospitality students, who have been juggling their Higher School Certificate school work whilst completing their final mandatory work placement for their Hospitality HSC 2 unit course. Many of the students have applied for Recognised Prior Learning (RPL) as a result of them currently working in the Hospitality industry, but those who are not have not been fulfilling thirty five hours in an approved commercial establishment. Although never surprised with positive feedback from employers when visiting various work places, I am always buoyed by the way our students present and conduct themselves when in the public eye. What a role model they are for our younger students and a positive image they portray on behalf of our College! (Photos below and following page)

The following table indicates which local establishments hosted our students. I would like to extend my sincerest thanks to our local businesses that provide their time and expertise in leading our students and mentoring them during their placement. We acknowledge how valuable both their time and expertise are.

I would also like to make special note of Ben He and Cooper Nugent who displayed an incredible degree of initiative in completing their work placement at Colin Fasnidge’s award winning ‘4fourteen’ restaurant in Surry Hills. The effort required them to source accommodation, travel, logistics of split shifts, not to mention the fact that one of Australia’s most highly recognised celebrity chefs would be watching their developing skills over the week. I would like to thank Mr John and Jenny Marks (teaching staff) for assisting with accommodation for Ben and Mrs Beth McMillan who not only visited both students whilst she was in Sydney, but was also able to transport Ben home. I was fortunate to visit Cooper last week and was thrilled to be able to sit at the pass and watch him work whilst I chatted to head chef Daisy whilst she platted. No doubt a great learning opportunity for myself also and important Professional Development to stay abreast of current industry trends and establish close and vital links with industry. Well Done Ben and Cooper. How incredible that two of our students spent a week working in arguably the best kitchen in NSW.

Next week, Year 11 and 12 students will benefit from a visit from Lauren Mueller, a Thermomix consultant who is demonstrating Nasi Goreng, quince paste, tempered chocolate and Blueberry Ice cream. The following month, seven representatives from the NSW Fire Brigade will demonstrate a kitchen fire simulator to Year 11 students as part of their WHS Safe Practices unit. This mandatory unit must be delivered, and competence achieved, before students are eligible to undertake their initial work placement, which is scheduled for Week 4/5 next term.

Year 11 Hospitality students are also catering for two hundred people at their Debutante Ball in the school holidays to raise funds for their Hospitality Industry Tour to Sydney planned for later in the year.

Mrs Belinda Mainey – VET Co-ordinator and Hospitality Teacher
To all those wonderful people who gave their time, money & culinary (& woodturning) skills to help make our Biggest Morning Tea so successful.

With your help we raised $610

that will help the Cancer Council provide support, fund research and promote prevention programs.

Thankyou again for your generosity.
St Paul's College Kempsey

Vinnie's Winter Appeal 2016

Vital fundraising for the Vinnie's Winter Appeal starts now! Help make a real and remarkable difference in the lives of people facing homelessness in our local community this winter.

Please dig deep and bring in any pre-loved warm winter items e.g. beanies, gloves, jumpers, blankets and sleeping bags. Any donations are very appreciated.

Every PC has a green bag which the items can be placed in over the next few weeks.

Rethink Homelessness this Winter

Winter Appeal 2016

St Vincent de Paul Society NSW
