**Year of Mercy**: In this our Jubilee year, and recognising the key role the Mercy Sisters played in our history and still do today, it is fitting that this year has been proclaimed by Pope Francis as the Year of Mercy.

“We need constantly to contemplate the mystery of mercy. It is a wellspring of joy, serenity, and peace. Our salvation depends on it. Mercy: the word reveals the very mystery of the Most Holy Trinity. Mercy: the ultimate and supreme act by which God comes to meet us. Mercy: the fundamental law that dwells in the heart of every person who looks sincerely into the eyes of his brothers and sisters on the path of life. Mercy: the bridge that connects God and man, opening our hearts to the hope of being loved forever despite our sinfulness.”

In this year of Mercy, it is important for all of us to realise the wonderful gift that we have in each other, and to recognise that in the way we treat and relate to each other. Mercy and peace to you all.

**On behalf** of all members of the College Community, we offer condolences to Mary Murtagh who father ‘Alf’ Murtagh recently passed away. Requiescat in pace.

**Out of Uniform – Jess Grant Pacific School Games**: Today was an out of uniform day in recognition of the wonderful efforts of our own Jessica Grant who will be competing in the Pacific School Games in Adelaide later this year. Ordinarily, our out of uniform days are restricted to Church and mission activities but this achievement is one which the whole community should get behind. Jess is a wonderful ambassador for the College and to her family, and this is our way of saying well done, good luck and we are with you.

**NAIDOC**: Each year we celebrate and recognise the wonderful heritage and traditions of our Aboriginal community and the contribution made to our College and Parish by the students and families of the Kempsey area. Of course, NAIDOC officially is celebrated in the school holidays and, therefore, we must plan our College celebrations when school returns. This Wednesday was our College celebration of NAIDOC and I take this opportunity to thank Mrs Sharon Kelly, Mr Conrad Tamblyn and especially our Aboriginal students who made it such a meaningful expression of our gratitude and solidarity.

Thank you to Uncle Graham Quinlan and Uncle Fred Kelly who addressed the assembly and to Aunty Shirley Kelly.

**Year 12 Trial Exams**: Next week Year 12 commence their Trial HSC exams. This is a very important time in their HSC journey but it is only ONE step in the many they will take towards graduation and life beyond school. We wish them all the best and pray for them at this time. However, it doesn’t stop there as we continue to walk with them in this their final year of schooling.

God Bless

Mr Kevin Lewis – Principal
klewis@lism.catholic.edu.au
**CATHOLIC CARE OF THE AGED**
**MACLEAY VALLEY PARISH**
**VINCENT COURT AGED CARE FACILITY**

*Fete*

Vincent Court will be holding its Spring Fete on Sunday, 30th September 2015, 10am – 1pm.

This is a big event at Vincent Court Aged Care Facility. We will be having stalls, monster raffle, guessing competition, Devonshire Morning Tea, BBQ lunch, Chocolate Wheel, White Elephant Stall and entertainment.

If you would like to make a donation it would be very much appreciated. Proceeds go to providing special items for the residents.

Contact Kate or Jackie on 6562 6062

*St Paul's College 50 Year Celebration – more photos pages 9-10*
ASSISTANT PRINCIPAL’S MESSAGE

Parent-Teacher Evening: A Parent Teacher Evening for Years 7 to 12, was held on Wednesday, in order to give parents the opportunity to discuss their child’s progress with us or to inform us of any relevant information that would assist us in their education. We believe that events such as this are essential for communication between home and school, and thank all the parents and guardians who attended.

Student goal setting: While academic excellence is certainly one of our main priorities here at St Paul’s College, the ability for each student to achieve at their personal best is much more our true focus. Due to this, in Term 1 of this year all students, with the help of their Pastoral Care teachers, sat down and analysed their previous report in order to think about, and set, some academic goals. Following on from this, all students in Years 7-10 will once again set their academic goals for the remainder of the school year.

Students are encouraged to set SMART goals. SMART goals are goals which are: Specific; Measurable; Attainable; Realistic and Timely. As in Term 1, the results of this should be written into the College Student Diary in order for students and their parents to refer back to these goals, to see when minor or major smart goals have been reached, or to stay on track in achieving the goals. Parents, if you have not already done so, please ask your children about their goal setting. We also ask all parents to sign the goals worksheet the next time you sign the student diary. We encourage all students to refer to these goals at times throughout the remainder of the year.

Mr Guy Campbell – Assistant Principal

REC MINISTRY

NAIDOC CEREMONY: The College NAIDOC ceremony was held on Wednesday in the Edmund Rice Hall. The theme this year is ‘We All Stand on Sacred Ground’. Guest speakers were Uncle Graham Quinlan and Uncle Fred Kelly. Thank you to those parents and friends who were able to attend the ceremony. Thank you also, to Mrs Mainey and Mrs Hume who organised a special morning tea of damper and biscuits.

YEAR 10 RETREAT: The Year 10 Retreat will be held next Thursday and Friday at the Coffs Coast Adventure Centre. Parents, please note that it is compulsory for all Year 10 students to attend. Notes were sent home last term. The full cost of the Retreat is $115.

YEAR 11 REFLECTION DAY: This will be held next Tuesday, 28 July at Temagog. Please note that this event is also compulsory for Year 11 students. Notes went home earlier this week. It will conclude with a mass celebrated by Fr Paul at Willawarrin church at 1.30pm. Parents and friends are invited to join us for this.

ST ALOYSIUS VISIT: Six Year 9 boys from St Aloysius College in Sydney will arrive in Kempsey 3 – 14 September. We are looking for host families for them to stay with. Please advise Mr Tamblyn if you can help with this.

Mr Conrad Tamblyn – Leader of Evangelisation

EXPLORING ABORIGINAL SPIRITUALITY

During the July school holidays, I had the privilege of attending the Darwin Assembly of NATSICC (National Aboriginal and Torres Strait Island Catholic Council) and I thank Catholic Schools Office for sponsoring my attendance, as well as Mr Lewis for nominating me.

Having arrived a day early I took advantage of the time and was able to visit Litchfield Park. No surprise that the landscape provides interesting sights such as magnetic and cathedral termite mounds and beautiful waterfalls.

It was quite exciting to swim in pools where crocodiles abound in the wet season (supposedly not there in the dry season). But better than this was the sense of reverence one feels when swimming at Wangi Falls which is a sacred women’s site. These Falls are also a resting place for the Rainbow Serpent which is protected by the YaukYauk, a mermaid type creature who protects the Rainbow Serpent from men, and so Aboriginal men will not swim in this water.

The evening saw me going to Mindil Beach in Darwin to attend the festivities for Territory Day. The sounds of the didgeridoo turned a superb sunset into an experience which deepens the awareness of God in our world.

This was followed by a performance by the Tiwi Island Chookie Dancers and a concert by Jessica Mauboy. Top this off with an incredible fireworks display over the beach and it’s easy to see that Territorians know
how to party. They even ensured that Venus and Jupiter were very bright and at their closest positions in the sky.

This was going to be an incredible experience! Next newsletter: Experiencing the Mass at the Assembly.

Mrs Denise Puzas – Studies of Religion Teacher

CURRICULUM

HSC Trial Examinations: Trial HSC Examinations will commence in the Edmund Rice Hall on Monday, 28 July and finish on Monday, 10 August, making Tuesday, 11 August, a normal school day for Year 12. Students need to be assembled thirty minutes before exams are scheduled to start and forty five minutes before English, Mathematics and Studies of Religion. The exam centre shuts sixty minutes after the commencement of each examination and no acceptances after this time for any reason are allowed. It is a policy of St Paul’s College that no student is to leave any HSC Trial Examination room for the complete duration of the exams. If students miss any Trial Examination(s), they must contact the Leader of Curriculum (Mr Robinson) straight away and complete an Illness/Misadventure form, a copy of which can be found in the ‘HSC Assessment Guide for 2015’, available on the College moodle web site.

Students do not have to attend school during Trial Examinations, however, they are able to use school facilities to work, study or complete major projects with permission and supervision from their respective teachers. All students remaining on the College grounds outside of an examination period are to be actively learning and without exception, must be in full school winter uniform (not sports uniform).

As the Trial Examinations are a part of the College’s internal HSC Assessment, unsupported reasons for absence often results in a zero grade. Students need to consult with their respective course teacher to determine the equipment needed for each exam. A guideline for which can be found on page 9 of the HSC Assessment Guide for 2015.

NOTE: Students cannot borrow any equipment under examination conditions even if their equipment fails. Students are reminded that as with all HSC exams; mobile phones and electronic communication devices are not permitted in an examination room under any circumstances.

IMPORTANT DIARY DATES

| Year 10 into 11 Course Selection and Interviews: Last Monday, 20 July Year 10 students and their parents attended school for interviews with the KLA Leaders and myself in regards to suitability of senior course choices. This process is very important in order for both parents and students to have any questions or concerns answered and addressed. I would like to thank those parents who attended and hope that we have made a potentially stressful and difficult process easier for you.

Any parents and students who did not attend interviews last Monday are asked to make an appointment at the front office to see me as soon as possible. I will be constructing elective lines using the information received on Monday very soon. Any course selections not received will obviously not influence the construction of these lines.

Year 9 2016 Course selections

Year 8 into 9 course selections will occur in a few weeks’ time. Year 8 students will be given a course selection hand book and be presented with information from all relevant courses. A letter to parents will come out outlining the process.

Mr Leon Robinson – Leader of Curriculum
LIBRARY MATTERS

YEAR 12 STUDY: Thanks to all our junior users for respecting the needs of our Year 12s lately by adhering to our iPad-free-zone moratorium. A number of seniors have been making the most of our early opening hours (8 am) with a dedicated dozen or so turning up in the mornings in preparation for their Trials, which begin next Monday. Closing time is still 4.30 pm. This will continue until the Trials are over, as will the free OJ!

OVERTUE BOOKS: Keep them coming. Remember, you only have to do one of three things:
1) Ask for the loan/s to be extended
2) Return the overdue item/s
3) Pay for it/ them.

Hundreds of dollars’ worth have been returned since the start of this term, which is wonderful. Don’t forget that Semester 2 house points will be awarded to those with the best track record.

CURRENT DISPLAYS: As well as our ANZAC display, which will stay in place all year, we have recently installed six memorabilia boards, created by Mrs Isabel Browne, which track the fifty year history of the College. These were put together as part of our Jubilee celebrations, and they have certainly sparked some interest amongst students and staff since acquiring them last week. And this week, with the help of Aunty Sharon and Ms Puzas, a special place was set aside near the Library entrance to mark our NAIDOC celebrations. Plenty to browse through and borrow...so come and have a look.

STUDENT ACTIVITIES: A number of groups have been making the Library their home lately. Mr McGregor’s seniors seem to enjoy the change of scenery for their lessons, and they’re always welcome, as is any other class, including our junior English recreational readers. Year 10 Elective History and Year 9 English have been scouring the shelves as they search for resources in support of their Independent Research Task and Visions Assignments due later this term (and what interesting focus questions they have!) And our Year 7 classes are busily exploring picture books, whether they be from the Text Book Room (as a class set) or the Library shelves (for individual study). A busy term!!!

Happy Reading
Mr Peter Garty – Teacher/Librarian 😊

CAREERS

Career News
Welcome to the Careers information. This term, I have taken over the Careers Advisor’s role from Mrs Meredith Llewellyn who will be assisting me and the Year 12 students for their University selections and early entries for this year.

It is a very busy time of year for our Year 12 students with the Trials starting next week and also early entry opening with some universities. I have listed some of these below and the dates that they open and close. I have more information available for each of these. Remember they are not taken on a first in situation. Review your choices carefully before submitting.

UAC: Undergraduate applications open on Wednesday, 5 August. We recommend you apply by Wednesday, 30 September, before the processing charge starts to increase.

SCU Online Registrations: Online registrations open from 15 July and close 9 September via our STAR Entry Scheme website. The online student registration should take students no more than five to ten minutes to complete. Students need to nominate a first and second preference course. Please note that once a STAR registration has been submitted, students will not be able to change their STAR preferences.
There have been a number of exciting innovations at Lismore Southern Cross University this year. The Lismore Campus recently opened a Learning Centre and is currently extending the Science and Engineering precinct. Lismore Southern Cross University will be launching new degrees in Mechanical Engineering and Biomedical Science. The Bachelor of Sport and Exercise Science will be offered for the first time at the Coffs Harbour Campus from 2016.

**Australian Defence Forces:** There are some roles that have been left unfilled in the 2016 Gap Year program, so applications are being reopened! I strongly encourage all your Year 12 students who were/are thinking about Gap Year to apply as soon as possible as the application window is only open for a short time. Applications are open from **17 – 31 July only.** To apply, head to http://www.defencejobs.gov.au/education/gapyear/ NB: the application link will be live only during the above dates, and until then will say “applications closed” so please ask applicants to check back at this page during these dates.

**Indigenous students:** From 10 - 16 January, 2016, the Faculty of Engineering and Information Technologies at The University of Sydney will be hosting the Indigenous Australian Engineering Summer School (IAESS) funded by Engineering Aid Australia. The IAESS Program gives twenty Indigenous high school students from across Australia, who are entering Years 11 and 12 in 2016, the opportunity to come to Sydney and explore the possibilities of studying and working within various areas of engineering.

**Gap Year:** Our priority application deadline is coming up on **Friday, 5 June.** Some of our placement options fill by deadline, so applying by Friday gives students the best chance to secure their first preference. Our Application Form can be downloaded from: http://www.lattitude.org.au/how-to-apply/apply-now-for-2016. Lattitude is the original gap year organisation, having supported Australian school leavers on structured and worthwhile overseas volunteering placements for over forty years.

**Mr Darran Stephen - Leader of Technology & Careers Advisor**

## SPORT NEWS

Welcome back to another busy term of sport. I hope that you all had a relaxing break and are looking forward to the array of sporting opportunities this term has to offer.

**Athletics:** Last Friday, 17 July, we held our annual Athletics Carnival. On what was a very chilly day the participation and enthusiasm from our students made the day an enjoyable one. Congratulations to them all on their efforts. I’d like to acknowledge the following age champions and runners up:

</table>

Congratulations to the following students who set new College records: Lydia Roesgen 13 Year Long Jump of 4.73 metres; Lachlan Davidson 16 Year Discus Throw of 34.88 metres; Heath Lancaster 14 Year Long Jump of 5.23 metres; Olivia Creswick 16 Year 100 Metres in a time of 13.48 and Angus Bird 16 Year 200 Metres in a time of 24.47.

Farrelly house continued their domination in athletics and was awarded champion house with McAuley and Edmond tied in second place and McKillop coming in fourth. I’d like to give a very big thank you to all my colleagues who helped organise and set up the day. It certainly made my job a lot easier. Any student who placed first or second in any event, has the opportunity to represent St Paul’s at Lismore Diocese Athletics Carnival on Thursday, 16 August, in Coffs Harbour. If any student is unsure where they placed, I encourage them to come see me.
**Soccer**: At the end of last term, our Year 7-10 boys and girls soccer team competed at the Lismore Diocese Gala Day. Our boys played four matches, winning two, drawing one and losing one. We played with confidence throughout the day, and the best team performance was in the match we lost, a match we dominated, but where we couldn’t finish our chances. The boys can be proud of their performance, particularly Nick Wright, Harry James and Kurtis Smith. We narrowly missed progressing to the finals. Mr Salter was a proud coach and enjoyed the day immensely. Our girls soccer team were very unlucky in the four games that they played. In each of the games we dominated territory and possession but unfortunately we were not able to capitalise on this and put the ball in the net. This resulted in one draw and three losses by the odd goal. With a bit of luck things could have been a lot different. Mr Pugh was also very proud of their efforts as they could not have tried any harder. The girls enjoyed the day and they showed great teamwork and sportsmanship. They also took every opportunity to support the boys’ team when we did not have a game. Well done to both teams. I would like to thank Mr Pugh and Mr Salter for taking up their own time to coach the teams.

Our Opens boys football team continued to progress in the CCC Football Knockout. On Thursday, 16 July, they defeated McCarthy College, Tamworth, 8-0 at the Coffs Harbour International Stadium. The team completely overwhelmed their opposition. The first half was the best football that the team has played. Their coach Mr Tamblyn said ‘their precise one and two touch passes were beautiful to watch’. Goal scorers were Lachlan Galea (2), Eli Cosic, Evan Clarke, Tristan Bonds, Nick Wright, David Henry and Jesse Polzin (1). The next game is the quarter final against a Sydney side at home. The opposition and date are yet to be decided. We wish the boys and Mr Tamblyn all the best and congratulate them on their efforts so far.

**Rugby League**: Last term, Nathan Phillips was selected to attend the NSWCCC Country Rugby League Tour during the school holidays. Nathan’s team had the opportunity to play against three NRL U15s Development Teams: St George/Illawarra, Parramatta Eels and Penrith Panthers. His team won two out of three games and Nathan scored a try in each. Nathan was also nominated by his coach and tour manager to receive the Best and Fairest award. Congratulations to him on his selection and performance throughout the tour.

**Surfing**: Last week, Finn Askew competed at the NSW State School Surfing competition in Port Macquarie in the U16’s division, against boys two years older than him. Congratulations on your efforts, Finn.

**Horse Sports**: Last Friday, 17 July, St Paul’s had four students represent the College at Taree High Horse Sports Day. Our students were Nicole Collins, Lara Jay, Hailey Anderson Brown and Kaitlin Foran. The weather was very cold and windy, which made it difficult for all competitors. Our girls, however, never complained and made us all proud. In each division there were over twenty riders and each of our students placed in the top six. Congratulations to you all. I’d like to take this opportunity to thank Mrs Lee Ann Collins for helping me to organise our students and manage them on the day. Without her support and passion for the sport the students would not have been able to go.

**Coming events**:
- Macleay Valley Shield U14’s, Kempsey, 30 July
- Lismore Diocese Secondary Athletics Carnival, Coffs Harbour, 13 August
- Lismore Diocese Secondary Netball Championships, Port Macquarie, 27 August
