Dear Parents, Students and Staff

PRINCIPAL’S REPORT

Welcome back to what promises to be a fantastic year in the life of St Paul’s College.

OUR THEME: ‘LET CHRIST’S LIGHT SHINE THROUGH US’: In the spirit of service the College staff and I have decided that our theme for 2014 will reflect our ideals of service, ministry and community. In 2014, our goal is to seek opportunities to engage more significantly with the Parish, Macleay and wider community. As part of this push, we have instituted a CSYMA class which many of you will have read about last year in previous newsletters. This class, whilst still learning the traditional Catholic Studies curriculum, will also engage in service and ministry activities to further solidify their understanding of what it means to be truly Catholic. In that light, we are looking for opportunities to become involved in the community, so please contact me or Mr Tamblyn to offer suggestions and ideas where we can be more effective as a Catholic service community.

HSC RESULTS: A great number of success stories have come out of the results of our HSC students from 2013. I would like to congratulate all of our graduated students and their teachers for their dedication, spirit of adventure and enthusiasm for learning. It has certainly been a pleasing aspect of my role to hear of the wonderful achievements of many of our graduating class, be they bound for University, apprenticeships, full-time employment or some sort of other tertiary training or education. My congratulations to all of you.

NEW STAFF AND NEW POSITIONS: A number of new staff and staff in new positions have been employed this year so I will run through them here:

MR ROB MAHON joins as replacement for Ms West as Leader of Pedagogy. Mr Mahon grew up in Mudgee and was educated there, as well as in Bathurst and at the Australian Catholic University in Sydney. Rob has taught mostly sciences at Nagle College in Blacktown, Oakhill College in Castle Hill and at St Paul's High School in Port Macquarie. He has been a marker of both School Certificate and HSC exams, has authored HSC sample answers, a School Certificate sample exams book and an Earth and Environmental Science text book. He is also a past champion of the TV quiz show "Sale of the Century". He is employed under our National Partnerships funding and will join us for two years under that arrangement.

MS LUCY BARBER joins as our ministry trainee jointly funded by the College and the Catholic Schools Office in Lismore. Lucy joins on a 12 month contract to support our ministry team and Catholic Studies teachers. She is a former student of the College, graduating last year with excellent results, especially in music which will be invaluable to our Religious Education department.

POSITIONS OF RESPONSIBILITY: Mr Tim Moorehead will be Year 7 Co-ordinator and Mr Tom Salter will be Year 8 Co-ordinator. I thank Mrs Mainey and Mrs Morrison who have stepped back from Year Co-ordinating positions this year to concentrate on other areas of responsibility. Whilst not new, a number of staff have taken on areas of responsibility. Mrs Mossel has taken on Administration on top of her role as Leader of Mathematics and Mr Scott Edwards will lead Year 11 as well replacing Mr Walsh as PDHPE Co-ordinator.
WELCOME BACK IYEISHA ROBERTS: Many of you will have followed the story of Ieysha (Esha) who was desperately in need of kidney transplant last year. The fantastic news is that the transplant happened and Ieysha is making a speedy recovery and has returned to school. Through the efforts of many, the College and wider community was able to raise much needed funds ($12,000) to support Esha and her family with the many costs involved. A special thanks to Ed Burns and McKinley Payne, who took it upon themselves to busk in town and support this worthwhile cause. I would like to make a special request to families in support of this delicate recovery. Whilst Ieysha is recovering well, she is particularly susceptible to vomiting and gastric bugs which could be life threatening. If such events occur in your household, could you please inform the College immediately to ensure Ieysha’s full recovery goes on unhindered.

P & F DINNER: All too soon this wonderful event will be quickly upon us. Saturday, 29th March is the date for those wanting to attend. A link on the College web page has been created for those wishing to register interest in attending. A number missed out last year, so I suggest you get in early to avoid disappointment. See our web page at http://moodle.kmpsism.catholic.edu.au/ and click the picture of last year’s event to register your details.

SPONSORS FOR P & F DINNER: The College is seeking sponsors for major and minor prizes for the dinner. If you or your business is interested in contributing, please contact me by phone or via my email to discuss this further.

TRADE SKILLS CENTRE: As often happens with new governments, our successful application for a Trade Training Centre, now carries a further requirement. We must now refer to it as a Trade Skills Centre. Local Federal member Luke Hartsuyker joined us this week for the official announcement and we anticipate building to commence some time in Term 2 with completion and commencement of classes in 2015. Again like all of our initiatives, we are very keen to engage with community and have already sought and established some important arrangements with businesses in town. If you or your business feel you would like to become further involved, please contact me here at the College.

OUR YEARLY PLAN: Our yearly plan for 2014 is to establish good routines for our students in the form of regular homework, setting firm classroom expectations, focusing on attendance, punctuality and manners. Staff will work further in the development of technology with our Year 7 and Year 8 students’ iPads, as well as ensuring the highest quality of work is produced at all times. The use of the diary, goal setting and critical and creative thinking will all be priorities this year.

50 YEARS CELEBRATION IN 2015: We are into full swing with preparations for our 50 Years celebrations in 2015. A link has been provided on our College web page for people to register interest in receiving updates. We are also seeking items of memorabilia and historical significance for copying and return. Specifically, we are seeking old reports, uniforms, photos, school items and so on for the preparation of our history. Please contact the office if you can assist with this request.

MANNERS, CYBER BULLYING AND BEING A GOOD CITIZEN: This year I have made a commitment to staff and students to revisit and reinforce the basics. Students will get used to seeing this sign around the school and me giving constant reminders about standards. I firmly believe that a civil society starts with good manners and this will be a focus (among many other things) throughout the year.

We are setting and enforcing standards with regards to:
- Quality of work – Nothing but your best
- Uniform – dress as if you are proud to wear the uniform
- Rubbish – keep the school clean – be proud of the new facilities that you have
- Completion of homework – take responsibility for your own education – NO EXCUSES
- Relationships – we say NO to bullying

This is St Paul’s and we are proud to be here.

CANTEEN CLOTHING POOL
Donations of preloved uniforms are very welcome as stocks are getting low.
Save the Date

29th March 2014
P & F Formal Dinner Fundraiser

ST PAUL’S COLLEGE

An Evening of Fine Dining
Enjoy a sumptuous dinner complimented with music and entertainment by ‘Jenny Marks and Friends’
ATTENDANCE: I read recently the president of a parent association in NSW lamenting the falling rankings of Australian students in international tests and the correlation that he saw with an increase in the number of students missing school days for what he termed ‘trivial’ reasons. The fact remains that time in class is integral for all students to give them the best opportunity to succeed. I ask parents to give serious consideration to time out of school and to contact the College if any doubt exists. A simple form needs to be completed each time a parent decides to take their child out of school for any significant length of time, and permission must be sought from the Principal to do so.

INAUGURAL MASS: I thank Mr Tamblyn and Mrs McMillan for their efforts in preparing and leading today’s Opening College Mass. Today we inducted our new school leaders and I look forward to working with them in moving our school forward.

CONGRATULATIONS TO JACK SHAW: On Monday night in Sydney, former Year 12 student, Jack Shaw, was awarded a NSW CCC Blue for his outstanding achievements in boys’ softball. I congratulate Jack, his coaches, including Mr Garty, and all who helped him achieve this wonderful feat.

I am excited about this coming year and I look forward to working with you all for the betterment of our students.

God Bless

Mr Kevin Lewis –Principal

ASSISTANT PRINCIPAL’S MESSAGE

“Give thanks to the Lord, proclaim his greatness”

Once again, I am honoured to be the Assistant Principal at St Paul’s College this year. I said to the whole College community at our first assembly last week, how much I am looking forward to a year full of learning opportunities and academic growth. It is my belief that in order to educate our students it takes a community with a strong desire to achieve. Our teachers are committed to the personal success of all of our students, and we all recognise the important role of parents in being the prime educators of their children. I invite you to be involved in your child’s education and stay in contact with their teachers throughout the year through the student diary, semester reports, Parent/Teacher evenings, phone calls and interviews. Staff email addresses are now on our web sites for easy contact. They can be found on the public web site under ‘Contact Us’, then click on ‘Staff Email List’, and on the moodle web site under ‘Parents’ then click on ‘Staff List 2014’. Please feel free to contact our staff with any concerns, questions or information.

At St Paul’s, we focus on Gospel values and personal excellence in a safe and supportive environment. Our staff strive for academic excellence but also recognise the importance of focusing on each child’s individual faith and academic development. We encourage all our students to be significant contributors to their learning as well as to the College. The classrooms are safe, creative, and engaging places where students can feel empowered to take risks and make positive choices.

This year we are continuing with Sustained Silent Reading (SSR) within the Pastoral Care morning routine, and we have introduced new bells into the day. The ‘late bell’, rings four minutes after the conclusion of both recess and lunch, and indicates when all students should be either in class or lined up outside the classroom. Students were informed of this small addition to the bells, and the consequences of being late, last week.
The majority of students wear the school and sports uniform with pride, however I ask your support in the following matters. The length of the girls’ skirts and dresses should be no more than 10 cm above the knee when kneeling, shirts are always tucked in, only the correct jewellery is worn, shoes cleaned and polished and hair neat and tidy. Boys should be cleanly shaven, and no make-up of any description is permitted for Years 7-10. School uniform and accessories can be found on pages 101-104 of the junior student diary, and in the front of the new senior diary. These may seem to be minor issues but they do contribute to the good standards that we strive to achieve here at St Paul’s. I thank you for your support in these matters.

A reminder to all parents that student drop-off in the mornings and pick-up at the conclusion of school is to occur from Sea Street. All buses for both drop-off and pick-up use the North Street entrance. Therefore, to minimise congestion and for safety reasons we ask that parents do not wait for children at this location. Sea Street has a designated school drop-off pick-up zone outside the top gate, so again for safety reasons, we ask that this zone is utilised, not the driveway.

One of the most important organisational tools that students have at their disposal is the College Diary. Students need to learn the skill of using the diary for writing homework, assessments and other reminders in it. The other important function that the diary plays is that it is a quick and effective method of communication between students, parents and teachers. The diary is also a reference point for information about school policies. All students should have a diary and we ask that they use it correctly and that parents sight and sign it each week. All diaries will be checked during Pastoral Care time each Friday.

Bullying is not only unacceptable at this College, but is also unacceptable in society. At St Paul’s, we treat bullying very seriously. This year I have introduced a google form called ‘Being Bullied’ which I outlined to all students last week. Students being bullied and students who know of bullying are asked to complete this form. We can’t deal with the problem of bullying unless we are aware of it. I thank you for your support in this matter.

On their first day back this term, all students were asked to mark in their diaries the major examination blocks this year. Dates are set out in the Curriculum report.

I look forward to supporting, staff, students, parents and community of St Paul’s College again this year and am confident that it will be a successful one.

gcampbell@lism.catholic.edu.au

Mr Guy Campbell – Assistant Principal

REC MINISTRY

YEAR 7 BELONGING DAY The Year 7 Belonging Day will be Thursday, 27th February at South West Rocks surf club. Notes will be sent home to parents next week. The theme is building a sense of community. Students will share ideas and spend time playing getting to know you games – as many students are from different primary schools this year.

YEAR 12 AND YEAR 10 RETREATS Some advance notice about the dates for these retreats so that you can budget for them. Please note that these dates are on the calendar, if you follow the links, on the St Paul’s College Moodle page. The cost of both retreats is $145.00. They are compulsory for all Year 10 and Year 12 students. The Year 12 Retreat is looming: 9th / 10th April and Year 10 is a bit later in the year, 29th / 30th July.

Mr Conrad Tamblyn – Leader of Evangelism

2013 COLLEGE YEAR BOOK

Students wanting to buy a copy of the 2013 Yearbook, please come to the front office - $30.00. There are still quite a few students who have not yet collected their Yearbook and Reports. Both are available at the office.
**PEDAGOGY**

**WHAT DOES A LEADER OF PEDAGOGY (LOP) DO?**

The word "pedagogy" means "the art and science of teaching". Perhaps a more descriptive job title would be "Learning Co-ordinator". As a professional learning community, St Paul's looks to improve the learning of both its students and staff. My job is largely related to the following 3 areas:

- **Implementation and evaluation of the school’s learning improvement goals across all subjects.**
  - Eg - Literacy Action Plan.
  - Numeracy Action Plan.

- **Assist faculty Professional Learning Teams to**
  - measure and analyse student learning.
  - evaluate and implement best-practice teaching.

- **Staff Professional Development**
  - Peer to peer evaluation and coaching.
  - Professional updates and training.

St Paul’s is at the forefront of the Diocese (which is itself at the leading edge) in the operation of what is called a **Professional Learning Community (PLC)**. This model operates an ongoing teaching-learning evaluation process based on collaboration and data analysis.

This PLC model was introduced to St Paul’s by former Principal, Michael Vella. It has been implemented by current Principal Kevin Lewis, my predecessor Sonia West, and all the other hard-working, dedicated staff over the past two years. It is on the back of their hard work that we hope to continue to learn and improve as a community. I am excited to be given the opportunity to join in the fun!!!

**Mr Rob Mahon - Leader of Pedagogy**

**CURRICULUM NEWS**

I would like to congratulate the HSC class of 2013 for the excellent results obtained in the Higher School Certificate.

Special congratulations go to Jack Shaw, for his excellent ATAR of 94.5 which earned him the award of College Dux for 2013. Jack was also a ‘Distinguished Achiever’ in five subjects over two years. A full list of Distinguished Achievers is provided below. Congratulations to all of these students, their families and their teachers. Two students achieved ATARs in the 90's and at least another seven students achieved ATARs in the 80's. These excellent results were produced by the hard work and dedication of their recipients.

**Distinguished Achievers – Students who achieved marks of 90 or higher in 2 Unit subjects or 45 or higher in 1 Unit subjects.**

**FROM THE BOS**

2013 HSC EXAM PAPERS NOW ONLINE

More than ninety five different 2013 Higher School Certificate exam papers are now online. They include Ancient History, Biology, Community and Family Studies, Construction, Drama, English, Hospitality, Mathematics, Studies of Religion, Visual Arts, and some languages.
Marking guideline mapping grids and notes from the HSC marking centre will be added to the Board’s website by the end of February. These resources are important learning and teaching tools.

**YEAR 9 AND 11 COURSE CHANGES**
Year 9 and 11 course changes are to be finalised by the conclusion of Week Five. Students in Year 9 and 11 who wish to change their elective courses are to have done so before the start of Week 6 Term 1. Students need to see Mr Robinson for the relevant paperwork before any requests can be processed and approved. *(Please note that the week just concluded is Week 2)*

**YEAR 10, 11 AND 12 HANDBOOKS**
All Year 10, 11 and 12 students have now been presented with their 2014 Assessment handbooks. These booklets contain important information on Board of Studies and St Paul’s College requirements. It is an expectation that all students and their parents read and keep their handbook.
Please feel free to contact me if you have any questions about your child’s courses. I will be holding information nights throughout the year in order to give you information about Board of Studies courses and requirements.

**PARENTS OF YEAR 12 – 2013**
Students from Year 12, 2013, will soon be E-mailed an exit survey with questions relating to academic achievement in the 2013 HSC. I would ask that you encourage your children to complete this survey so that staff can use it to inform and improve pedagogy (the art and science of teaching) for future year groups completing the HSC Examinations.

**Mr Leon Robinson – Leader of Curriculum/Administration**

Welcome back to another new year.

**Congratulations to all our students for the wonderfully co-operative way in which they collected their textbooks.** Well over 2000 books were distributed and most students received them before the end of their second day at school. Once again, Mrs Cathy Whalen was a tower of support in this process. Thanks to her.

Overdue books continue to trickle in, and we’re very grateful for that. Thousands of dollars of resources have been recovered this way, and everyone is to thank for placing the necessary importance on such an undertaking. Keep looking, because the “serious” letters will be going out shortly. And a good few students have not received this year’s text in the relevant subject if last year’s is still out there somewhere.

It’s wonderful to see so many people using the Library at lunchtime and before and after school. It’s a vibrant, friendly place where students, along with their books, magazines, iPads, texts and board games are making excellent use of this facility.

Just a reminder about our hours of operation... we are open from 8.15 to 4.30 Monday to Friday. And if that’s not an option for some reason, Student Services, across the hall, can usually look after your needs.

Stay tuned for details about the Premier’s Reading Challenge which should be launched quite soon now. Also “on the radar” for future newsletters is information about our Chisholm Library Hall of Fame, our senior study guide resale program and the ongoing establishment of an e-book borrowing platform.
Don’t forget, everyone, you can access the Library Home Page via the designated drop box button on the right hand side of the College Moodle page. There’s a wealth of helpful links there, just waiting for you to explore.

Finally, thanks and congratulations to Corey Gleeson (Yr 7) and Nick Garrett (Yr 10) who have volunteered to be Library monitors this year. Any other interested students should call in and put your hand up.

Mr Peter Garty – Teacher/Librarian

ADDITIONAL NEEDS DEPARTMENT

HOMEWORK CLUB
Homework Club will once again be operating in 2014 every Wednesday afternoon from 3.25 till 4.25 in Student Services. Students can complete homework or assignments with the support of a teacher and with access to computers and reference books. The Library will also be open Monday, Tuesday, Thursday and Friday afternoons until 4.30. All students are welcome and encouraged to make use of this valuable service. Those students being picked up should do so from the car park behind the Science Block.

Please complete the form below and return to the Student Services Centre.

Mrs Jan Stubbs - Additional Needs Teacher

I give permission for .................................................................................. to attend Homework Club on Wednesday afternoons. He/she will: be collected or walk home. (cross out whichever doesn’t suit).

Parent’s name: ................................................................. Phone no.: .................................................................

Parent’s signature: .................................................................

Mrs Jan Stubbs – Additional Needs Teacher

YEAR 7 NRL TACKLE BULLYING VISIT
On Tuesday of this week, our Year 7 students were fortunate to receive a visit from NRL Ambassador and recently retired NRL player Joe Galuvao. This visit was organised as part of the NRL’s Tackle Bullying initiative and formed an exciting and informative part of Year 7’s transition into College life. Joe, a veteran of 240 NRL games, including 4 tests for New Zealand and two premierships, along with NRL development officer Pat Preston, spoke to students about strategies that empower students to stand up against bullying and be “heroes” not “bystanders” when bullying incidents occur. Joe spoke about the 5 steps in dealing with bullying incidents: stand strong, stay calm, respond confidently, walk away and report. Students also viewed the NRL’s anti bullying resource and listened to personal accounts from both Joe and Pat. At the conclusion of the presentation, students were able to ask Joe questions on both bullying and rugby league related matters. Joe’s relaxed and humble nature combined perfectly with what was a professionally produced and worthwhile initiative. On behalf of the Year 7 students, I offer my sincere thanks to Joe Galuvao and Pat Preston, the NRL and Mr Leon Robinson for the opportunity to take part in such a program. (Photo on Page 9)

Mr Tim Moorehead – Year 7 Co-ordinator

SPORTS NEWS
I’d like to take the opportunity to welcome back students and their families who were part of the St Paul’s community last year, and also extend a warm welcome to the new students and families who have joined us over the past week. The sporting year commences next week and the events come in thick and fast thereafter.

The most important upcoming event is the College’s annual swimming carnival to be held in Week 4, Tuesday, 18th February at Kempsey pool. It is a compulsory school day so all students are expected to attend. It is a fantastic day and students are encouraged to get in, have a go and gain valuable points for their house. If there are any parents who would like to come and help out on the day, please contact me at the College. Parents are also most welcome to simply come and offer their support on the day.

The long course events that we do not have time to run on the day of the carnival will be run on Friday, 14th from 9am to approximately 12pm. Students have to nominate in order to participate and can do so
using the sports noticeboard in the canteen undercroft. These nominations must be received by the strict deadline of Wednesday, 10th February. Following registration, students need to collect a permission note which must be returned to me by Thursday, 11th February.

This week, Jack Shaw, a Year 12 student from last year, received a NSW CCC sporting Blue. This award is the highest level of recognition students can receive and is awarded for sustained sporting excellence. Jack received his award for his achievements in the sport of softball over the course of many years and the St Paul’s community is immensely proud of him and his commitment to sport throughout his time at the College. Next week two Year 11 students, Daniel Morrison and Daniel Baker, will represent St Paul’s as part of the U19 Northern Country cricket team at the NSW CCC selection trials. We wish these boys the best of luck and congratulations on their achievements so far.

This year, I intend to make regular use of the sport noticeboard located in the canteen undercroft. I encourage students who are interested in sport to check this board for upcoming events on a regular basis. At the moment, I’m receiving information about several local sporting registration days. This information is currently and will continue to be posted using this facility.

**UPCOMING EVENTS**

| College Swimming Carnival – 18th February | Diocesan Swimming – Banora Point – 6th March |

I look forward to much enjoyment and many successes in the sporting year ahead.

**Mr Tim Moorehead – Sports Co-ordinator**
