Feast Of St Peter And St Paul

Dear Parents, as we come to the end of Term 2, I would like to wish the entire St Paul’s community a happy, safe, and relaxing holiday.

A Prayer For Our Break:
Father in Heaven, Creator of all and source of all goodness and love, please look kindly upon us and receive our heartfelt gratitude in this time of giving thanks.

Thank you for all the graces and blessings you have bestowed upon us, spiritual and temporal: our faith and religious heritage; our food and shelter; our health; the love we have for one another; our family and friends.

Dear Father, in Your infinite generosity, please grant us continued grace and blessing throughout the year. We also pray that when we return in Term 3, we are all rested and focused upon doing our best.

On June 29, the Church celebrates the feast day of St Peter and Paul. As early as the year 258, there is evidence of an already lengthy tradition of celebrating the solemnities of both Saint Peter and Saint Paul on the same day. Together, the two saints are the founders of the See of Rome, through their preaching, ministry and martyrdom there.

The College celebrated on Thursday with a liturgy, a talent quest and distribution of reports and commendations. My congratulations go to all those who achieved their goals during this semester. I encourage those who may have fallen just short, to use this as a challenge to improve during Semester 2.

Student free days – Staff Development (reminder)
To this point, the College has not taken any Staff Development Days this year. These days are set aside by the Catholic Schools Office for colleges to provide opportunities for their staff to develop in the areas of curriculum, school renewal and planning, spiritual formation and workplace safety. The College has a number of such days coming up in the following weeks which will not require student attendance. These are:

27th June: Friday (Term 2) – Staff Religious Formation Retreat
14th July: Monday (Term 3) – Christian meditation in line with Proclaim goal from staff
11th August: Monday (Term 3) – School Review and Development. This day coincides with a separate staff day at St Joseph’s in an attempt to make it more convenient for our parent community.

Soccer Success
In this World Cup year it is fantastic to report on our successful senior boys’ and junior girls’ soccer team who were crowned champions at the Diocesan carnival last week, overcoming our more fancied northern rivals of Trinity from Lismore. Congratulations to Miss Di Lawrence and all the girls and Conrad Tamblyn and the boys on their wonderful result.
School Review – Parent Surveys
Thank you to all parents who took the time to complete our surveys for school review. Preliminary results indicate a strong sense of satisfaction with the College and the care provided for our children inside and outside of the classroom. You have also provided us with some useful and thought-provoking suggestions to take us into the future. I look forward to working through all of your responses with staff in developing our next five year plan.

Charles Sturt University – Primary Industries Advisory Board
In recent weeks, and since the approval of our Trade Skills Centre, I have been in discussion with CSU with a view to establishing a formal relationship between the College and University. Consequently, I have been invited to be a member of their newly established Primary Industries Advisory Board. This is a fantastic development for our College and for our students and families involved in primary industries. I look forward to the possibilities this relationship may bring for the Macleay Valley community.

Have a safe and happy holiday
God Bless

Mr Kevin Lewis – Principal
Klewis@Lism.Catholic.Edu.Au

ASSISTANT PRINCIPAL’S MESSAGE

“Give Thanks To The Lord, Proclaim His Greatness”

Parent-Teacher Evening: We have organised a Parent Teacher Evening for Years 7 to 12, to give you the opportunity to discuss your child’s progress with us or to inform us of any relevant information that would assist us in your child’s learning. We believe it is essential that all parents take the opportunity to speak with their children’s teachers. This will take place on Wednesday 23rd July, in the Edmund Rice Hall, from 3.45 pm to 6.15 pm. More information will be sent home early next term, however, it can also be found on the College website under Parents; Parent/Teacher Evening.

Parents, just a reminder about the College policy ‘STUDENTS’ VEHICLES’, on students driving to and from school. The policy reads:

‘Students who are wishing to drive either themselves or other students to school and park on the College grounds, must complete and submit a ‘Permission to Drive to School’ form to their Year Co-ordinator. This will be retained on file.

Students wishing to be a passenger in a vehicle driven by another student and parked on the College grounds must complete and submit a ‘Permission to be a Passenger in a Vehicle Driven by Another Student’ form to the Year Co-ordinator. This will be retained on file.’

When students are given written parental permission to leave the College grounds, and are doing so by driving themselves, this must be stated in the letter, otherwise the student needs to be picked up and signed out by parents.

I thank you for your support in this matter.

Mr Guy Campbell – Assistant Principal

REC MINISTRY

Year 11 Street Retreat: Four Year 11 students participated in a Street Retreat in Brisbane, June 19 – 21. Sally Eller, Zoe Clarke, McKinley Payne and Kiernan Moore were accompanied by Mr Scott Edwards. They worked with organisations that provide support for people who live on the streets of Brisbane.

Year 10 Retreat: The Year 10 Retreat will be on 29 - 30 July, at the Uniting Venues Conference Centre, Bonny Hills. The cost is $155. The aim of the retreat is to get students to reflect on their life choices they will soon be making and to build on their relationships with each other. The retreat is a compulsory component of a student’s education at St Paul’s, and as such, prior approval must be obtained from the Principal for non-attendance. Non-attendance without approval will still incur the cost of the retreat.

St Paul’s Feast Day Mass: The St Paul’s feast day Mass was today, at the All Saint’s Parish Church. The Mass celebrated the Patron Saint of our College.

OVERDUE SUBJECT LEVIES: Thank you to the families who made the payment of Subject Levies a priority. If you have an outstanding account, could you please finalise before Term 3 commences so follow-up interviews will not be necessary.
**Staff Retreat:** The last day of term, Friday 27th June, will be pupil free, as the staff go on retreat for the day. Please keep the school staff in your prayers, as they try to be the best educators of your children as they can.

**Meditation:** Penny Sturrock travels the world teaching people about Christian meditation. She will present a workshop to the teachers of the College on Monday, 14th July from 8.30am – 1.00pm. Interested parents and friends are invited to participate and there is no cost. Please phone the College to register your interest.

**Hope Road – Walk for South Sudan:** Zacharia Mawat and some companions will walk 900km from Tweed Heads to Sydney to raise funds to build a primary school in Abyei Achok village, South Sudan. They will pass through Macksville, Kempsey, Crescent Head, Point Plomer and Port Macquarie towards the end of the school holidays. A number of fundraising activities have been organised at the College. If you are interested, you can also join in the walk. For more details checkout their website @ www.ssoe.org.au

**NAIDOC Ceremony:** The NAIDOC ceremony and activities are planned for Wednesday 23rd July. The ceremony will be held in the College Hall at 10.30am. Parents and friends are cordially invited to attend.

**Mr Conrad Tamblyn – Leader of Evangelisation**

---

**CURRICULUM**

**Year 10 into 11 Course Selection Market Information and Interviews:** A Course Selection Market will be held at St Paul’s on Wednesday, 16th July between 4pm and 6pm, for students who are currently in Year 10. The Market includes representatives from all the courses on offer in 2015. There will also be opportunities for you to speak with Subject Co-ordinators and course teachers from all areas of the curriculum, including the VET Co-ordinator and Careers Advisor. I strongly stress the importance of your attendance, and that of your son or daughter at this meeting. Please ensure that you bring the Course Selection Booklet with which your child will have been issued.

**Please Note:** It is not necessary to attend the Course Selection Market for the entire time scheduled. Parents and students ask questions and visit booths at their own discretion. Following the Course Selection Market, there will be an Information Session between 6pm and 7pm presented by me and other KLA Co-ordinators. Here, Board of Studies requirements for both the Preliminary and HSC courses will be discussed, and any questions or queries you may have will be answered.

On Monday, 21st July, Year 10 students and their parents are asked to attend College for interviews with the KLA Co-ordinators in regard to suitability of course choice. Please note that this is not a normal school day for Year 10 students as they are not required to attend school for lessons. Bookings for these interviews will be taken at the Course Selection Market and Information Evening, however, if necessary they can be made at the College office up until 3.30pm Friday, 18th July.

**Trial HSC Examination Timetable:** All Year 12 have now received their Trial HSC Examination Timetable. The Trials begin on Monday, 28th July (Week 3) and conclude on Monday, 11th August (Week 5). This can be a stressful and hectic time for our HSC students and I wish them well and encourage them to adopt a healthy study/life balance which includes daily exercise and plenty of sleep.

A reminder that students must wear full winter school uniform to the Trial Examinations. They must assemble at the Edmund Rice Centre 30 minutes before the scheduled start of exams, and cannot start an examination if they are more than 60 minutes late. Students must stay for the full duration of each exam and do not have to attend school when they don’t have an examination. All students are welcome to come to school and consult teachers or use College facilities during the Trial Examination block when they don’t have an examination.

**The Official Sydney Morning Herald HSC Study Guide 2014** (From the Board of Studies)

Every year the Board works with The Sydney Morning Herald to plan a HSC Study Guide that is relevant to the needs of HSC students, teachers and parents. This year the emphasis is on:

- explaining the HSC marking process
- providing advice on the allocation of examination marks and sample questions from past papers
- providing relevant, practical tips for HSC students to enhance their preparation and make the most of their time in the examination room.

Current and past HSC students will also detail how they found their study/life balance.
Subjects highlighted in this year’s guide include:

- English
- Mathematics
- Science
- Economics
- Dance
- Drama
- Information Processes and Technology
- Geography
- PDHPE
- Music
- Visual Arts
- Languages
- VET
- Business Studies
- Design and Technology
- Legal Studies
- Ancient History
- Modern History

The guide was published in The Sydney Morning Herald on 16th June, 2014. HSC students will have received a copy of the guide at school this week. It is also available digitally at http://www.smh.com.au/national/tertiary-education/hsc-study-guide

**Mr Leon Robinson – Leader of Curriculum**

**TEXTILES**

The first semester in Textiles has been a busy one.

Our exciting news was the presentation ceremony in Sydney where Bridget Barber in Year Ten received her award for coming second in the TEA Stage Five Art Piece Competition. Bridget’s work was selected from approximately 60 entries from across NSW. Bridget and I attended the ceremony and she was presented with a certificate and a bag of textile art supplies.

Year 12 had the opportunity to attend the Rosehill Stitches and Craft Show and observe the Texstyle exhibition. This was a display of outstanding HSC works from 2013. They were also able to attend HSC lectures presented by experienced markers, giving them valuable tips about the investigation and experimentation section of their folio. While in Sydney, we also visited Akira Isogawa’s retail shop in the Strand Arcade. Akira is the designer we study for the HSC and it gives students an advantage to be able to see and feel his designs, studying the beautiful beading and embroidery.

We introduced a new Year 7 course late last year. After many years of making calico bags, and then trialling iPad covers, we settled on making strings of prayer flags. Loosely following the guidelines of the Prayer Flag Project, Year 7 have been designing their own set of small flags based on their ideals and aspirations. Using a range of fabric decoration techniques such as tie dye and stencilling they have been busy creating 4-6 flags and presenting a folio outlining their process of research, investigation and design development.

Unfortunately, our Year 9 course did not run this year, but our two student studying by distance education have been making patchwork bags. Each week we meet to extend their textile art skills. They have been felting, making silk paper and experimenting with freehand machine embroidery, to name just a few techniques.

Year 10 have made furnishing items inspired by nature this semester. Their brief was to make an item using fabrics they had predominantly
dyed or printed themselves. Wall hangings and cushions were popular. Techniques such as screen printing, batik, Shibori, block printing, sun printing and ice cube dyeing were some of the methods they used. Last weekend I completed a silk painting workshop with local textile artist Robyn Jackson and, even though we have finished this unit, I look forward to sharing my new skills with this class.

Year 11 made lined overnight bags, focusing on the Elements and Principles of Design. We experimented with machine embroidery on washaway fabrics and incorporating texture into fabrics using heat manipulation and the embellishing machines.

Year 12 are continuing with their Major Textile Projects and these are due mid-August. They are working on a range of projects and I look forward to sharing pictures with you as they near completion.

We recently purchased a Baby Lock overlocker for the textiles department. This overlocker is self-threading and has no tension discs making it ideal for the classroom. It can be threaded in minutes and you can change from a four thread seam finish to a three thread rolled hem with the flick of a switch. We hope to eventually replace all our overlockers with this model.

We are always on the lookout for odd bits of ribbon, lace and other embellishments. If you have any scraps at home you think we could use, please send them in. They are often the finishing touch that a project needs.

Mrs Mary Walker – Textiles Teacher

**LIBRARY NEWS**

Congratulations to the various winners of our daily Football World Cup Quiz questions. We hope it (and the visual display) provided just a little more for those of you interested in the goings-on over in Brazil.

The Premier’s Reading Challenge Website is back in action, despite its appearance being completely altered. Students just need to log-on in the top right hand corner using their existing User Name and Password. The number of those finished has doubled to four, with Jakob Czipp-Sowter (Year 7) and Hannah Shields (Year 9) having recently had their efforts validated. Hot on their heels are the following students who are into double figures, some of whom look set to finish up over the holidays: Alex Czipp-Sowter, Madalynne Farah-Halls, and Sreshtu Najeendran-Nair (Year 7); Mystique Gibson and Jamie Townley (Year 8); Tamara Keast (Year 9). Behind them comes a solid pack of readers who still have until late August to wrap things up. Maybe you could use the holidays to make some decent strides towards finishing.

Speaking of holidays, don’t forget that anyone can access the Kempsey Shire Library site via the Chisholm Library Homepage. Once there, look down the left hand side in order to access their catalogue. What better chance to pop in and see for yourselves this recently refurbished facility.

All Year 12 are reminded that we will be extending our hours for Weeks 1 and 2 of next term, and throughout the Trials. Feel free to come along and study from 8am or until 4.30pm. Rest assured…you WILL benefit from a committed, strategic approach to preparation for this important set of exams. And don’t forget, we’ll have a bite to eat and some OJ on offer.

A number of students took advantage this week of recent purchases of DVDs and Premier’s Reading Challenge books for use over the holidays. These will still be available when you return for Term 3. Simply type dvd or prc into the Library search bar to see what’s available.

Wishing everyone a relaxing holiday, and remember these holidays….

A house without books is like a room without windows (German Novelist Heinrich Mann, 1871-1950).

Mr Peter Garty – Teacher/Librarian ☺
Low Stress Cattle Handling Course

Last week we ran, in conjunction with Kempsey High School, a Low Stress Cattle handling course conducted by Boyd Holden from Animal Handling Systems.

The Course involved one hundred and ten cattle and twenty students, who participated in practical and theory classes that were conducted at St Paul’s, Kempsey Regional Saleyards and the Kempsey Showground.

Boyd Holden is a farmer and travels the world training stock people for various roles, including feedlots, live export, abattoirs and large pastoral stations. He has just returned from Russia where he was training staff for a beef producing company that runs 150,000 breeders.

I was very proud of the way the students conducted themselves. They were great ambassadors for the College and this was something that Boyd personally congratulated them on.

Participants were Eliza Connors, Jason Brett, Alysha Wynan, Liana Tyne, Rebecca Ryder, Hugh McGoldrick, Theo Clarke, Eli Walker, Kyle Patterson and Callum Norton.

The course was at no cost to our students, thanks to the Department of Education which covered all costs. This was to reward both schools for our sound implementation of animal care and welfare standards as evident from our Audit in 2013.

Mr Graham Bramley – Agriculture Teacher

As we come to the end of Term 2, I’d like to thank every student and teacher who has been involved in sport this term. It has been an extremely busy and successful term and this success is testament to the hard work of everyone involved.

Last Thursday we sent a boys’ and a girls’ team to the Diocesan Years 7-10 Football Championships in South Grafton. This was a huge trip with a 6am start at a 7pm finish, however the extensive travel certainly didn’t affect performance with both teams achieving some great results. The boys’ improved as the day went on and were extremely unlucky not to qualify for the semi-finals on goal difference. Our girls played brilliantly throughout the day to qualify for the grand final, defeating Trinity College, Lismore, 1-0 to take out the Diocesan title.

In my last newsletter article, I featured the names of five students who were to represent the Lismore Diocese at the CCC Cross Country Championships. Each of these students competed strongly with Finn Askew and Luke Parkinson awarded gold medals as part of Lismore Diocesan teams who won the teams event in their respective age groups. Finn Askew also achieved individual success in finishing sixth and being selected in the NSW CCC team to compete at the NSW All Schools Cross Country event which will be held in Week 1 of Term 3.
Yesterday, our Open Boys Football team competed at Coffs Harbour in the Diocesan final against Trinity College, Lismore. These boys qualified for the final after winning the Diocesan South Football Titles held in Kempsey several weeks ago. This is a re-match of last year’s final in which we were unlucky to lose in extra time. This year, however, the tables were turned with St Paul’s winning 2-0.

During the first week of the school holidays, Nathan Phillips will take part in the U15 Country Catholic Schools Rugby League Development Tour in Sydney. This a five day tour in which Nathan and his team will tour and train with several NRL clubs and play games against development teams from the Penrith Panthers, West Tigers and St George Illawarra Dragons. This is a significant achievement as Nathan is only 14 and has limited rugby league experience. We wish him every success in his future endeavours.

This week I conducted long distance events as part of our College athletics carnival. Congratulations to all students who competed or helped with time keeping. When students return next term, they will receive information about the full College athletics carnival that will be held on Thursday of Week 1.

Also during the holidays, our team of ‘City2Surf’ participants will begin fundraising for their trip with proceeds going towards Project Compassion. The response from students towards this challenging event has been encouraging with approximately twenty-five students expressing their interest in competing. These students will be raising money through selling chocolates, seeking personal donations and conducting several fundraising initiatives at school next term, including a physical challenge event. If anyone is interested in supporting this team through a donation or prizes etc, please contact me via email tmoorehead@lism.catholic.edu.au.

Thank you to all students and teachers who have supported the College’s World Cup initiative. I hope you all enjoy the final stages of the tournament during the holidays and I look forward to announcing the winners when we return next term.

UPCOMING DATES
Thursday 17th July – College Athletics Carnival – Services Park, Kempsey
Friday 18th July – NSW All Schools Cross Country – Eastern Creek
Wednesday 23rd July – AFL Northern NSW Swans Cup Final – Coffs Harbour
Sunday 10th August – City 2 Surf – Sydney
Thursday 14th August – Diocesan Athletics – Coffs Harbour

On Wednesday, 9th July a holiday baseball clinic will be held in Kempsey from 10am to 1pm. Any interested students can turn up at the Kemp Street diamonds on the day.

Happy Holidays
Mr Tim Moorehead – Sports Co-ordinator

HOME WORK CLUB
There will be no Homework Club Wednesday after school in Week 1 and 2 Term 3
Thank you Mrs Jan Stubbs – Additional Needs Teacher
Proclaim Lismore Parents 2014 – “It takes a village to raise a child”

Over the past few months all parents of children in Catholic schools throughout the Lismore Diocese have been receiving Proclaim Parent e-bulletins that have highlighted the need for developing and improving ways for parents to be valued partners in the education of their children. Parish Schools are in an adventurous time of change as parishes, principals, staff and parents become co-designers of a strong, bright future for Catholic education. But to do this successfully we need you. We need people who can contribute courage, vision and passion as we look for ways to take Catholic education from good to great. Please visit the Proclaim Lismore website to learn more about our journey of co-designing a stronger future for each child at www.proclaimlismore.com.au.

ST PAUL’S COLLEGE P & F NEWSLETTER ADVERTISING SPONSORSHIP

The Newsletter cover sheet has room for four more sponsors. The advertisement is approximately 9.5cm by 3.5 cm and costs $50 for the year. There are approximately 16 newsletters published per year. If you are interested in advertising, please complete the form below and include a business card for scanning, or ring the College on 6562 7200.

A receipt for taxation purposes will be issued on payment.

LEARN TO DRAW MANGA-STYLE AT KEMPSEY LIBRARY

Do you love to draw, or are looking for something different to do in the school holidays? Then come to graphic artist and designer Matt Lin’s Manga drawing workshop at Kempsey Library on Wednesday, 9 July, from 2 to 4pm.

Learn how to create a basic character, focusing on facial expressions. You can then modify your design to create four different monsters.

Matt will then show you how to draw Chibi characters, which are cute little creatures with a big cartoon head and small body.

The workshop is for young people aged 10 years and over, and the cost is $5 per person (payable on the day). Places are limited and bookings essential. Contact Kempsey Library on 6566 3210 to register.
Helping kids leapfrog their difficulties with these 5 ideas

A parent’s attitude to their child’s difficulties will determine how successfully they meet and overcome many of the obstacles and hurdles they meet.

Whether it’s going to school for the first time, making new friends or even going to school camp, children often experience difficulties that they need to overcome.

When children overcome problems and deal with unpleasant situations they learn they are capable, which is the basis of self-esteem and confidence.

Children’s resilience is fostered when they overcome problems and manage unpleasant social situations such as teasing or going into new situations. Protecting kids from challenging experiences robs them of chances to learn, develop and grow.

Resistant kids look back and draw on skills and understandings they have developed in the past to help them deal with present challenges. For instance, a sixteen-year-old girl recently revealed how the time spent on a twelve-day adventure camp helped her overcome the homesickness she experienced on a six-month student exchange.

She remembered how on the first day of her school camp she didn’t think she could make it — but she did. She experienced those same doubts early in her exchange but she knew that just as she had coped before she would do so again, but this time in more difficult circumstances. She was drawing on the same resources.

Here are five great parenting ideas to help your kids leapfrog their difficulties:

1. Frame the problem as a challenge:
Frame the difficulty as a challenge rather than a problem. Kids take their cues from their parents, so the frame of ‘challenge’ gives kids something to rise to rather than be overwhelmed by.

2. Coach kids to do well:
Talk kids through their challenges, give them ideas to cope and manage. Consider rehearsing some skills or language that they may need.

3. Show confidence they will succeed:
Children generally meet their parents’ expectations so make sure your expectations are realistic, positive and supportive of your feelings.

4. Give kids a chance:
Allow kids to approach challenges in their own way without constantly checking on them. Your nervousness is definitely catching.

5. Celebrate their success:
Even if they were partially successful, such as they went to school camp for two out of the three days, then praise their efforts. They’ve got a great building block for next time!

The attitude and approach of parents and teachers will determine how successfully children and young people meet and overcome many of the hurdles they encounter. That attitude needs to be courageous, sensitive and hopeful that your child will meet, and overcome with assistance, all the challenges they encounter.
Hey young artists!

One Off Makery is looking for creative young minds to be a part of the Frugal Forest Project. Artists, musicians and scientists across the Mid North Coast are building an intricately detailed forest entirely from salvage, which will premiere at Glasshouse Port Macquarie in 2016. Why? Because nothing is wasted in the forest, and we could really learn from that. Check out

frugalforest.oneoffmakery.net.au

Join us for an intensive workshop with professional artist Bryony Anderson and crew, to be guided through a design process and learn some techniques for working with precious junk. Standout works will be showcased online and this workshop could be a stepping stone to involvement down the track.

When: Tuesday 8th July, 10am to 3pm
Where: YAC, 132 River St West Kempsey
Cost: This workshop is FREE thanks to Midwaste and Kempsey Shire Council but bookings are essential.
