REQUEST FOR COURSE OR LEVEL CHANGE
YEARS 11 - 12

Remember:

(1) The Preliminary Year requires the successful completion of 12 units. The HSC course requires the successful completion of 10 units.
(2) The UAI is based on the 10 best Board developed Units including English (maximum of one Category B Course).

While only 10 units are incorporated in the calculation of your UAI, the advantage of having additional units is that it provides limited flexibility when the UAI is calculated as it allows the exclusion of the lowest rated units (with the exception of English).

Directions:

Fill in the student details and obtain the necessary signatures and comments on Section 1 and Section 2 of this form; discuss the proposed change with your parents/guardian before returning the form to the Curriculum Coordinator.

NO CHANGE IS TO OCCUR BEFORE THIS FORM IS RETURNED TO THE CURRICULUM COORDINATOR AND YOU HAVE BEEN NOTIFIED THAT THE APPLICATION HAS BEEN SUCCESSFUL.
